LESSONS TO LEARN FROM GENESIS

HOUSE OF THE LORD WATCHMEN MINISTRIES

OF WHAT VALUE IS LISTENING AND FOLLOWING INSTRUCTIONS "KNOWLEDGE WOULD HAVE SAVE THEM"

THE WORLD WAS IN CHAOS; The book of Genesis presents the views that God appeared at a time when everything crashed. **The first steps:** Darkness was all over, everything totally ruined. Pretty much the mayhems that we are seeing around us now.

The history that starts in Genesis offers a logical view of the wisest, and best path to us in life. Just as our palate taste food and then determine what is good or bad. Genesis teaches us what is good or bad for us to eat and do that we stay healthy.

Of what value is what you eat?

Let's review the models, goals, purpose of Genesis that is offering, **WISDOM, KNOWLEDGE, UNDERSTANDING** so we can enjoy happiness and love. Be assured all God's word are true. Learn from Him lest you reject lawful pleasures when it comes your way and not know the best approaches towards test and difficulties in one's life. Ask why God would go out of his way and give Adam information how to stay alive. **Why did God allow**

something to happen testing them? It is because He wants to teach us how to live happily.

The first part of the bible feed us understanding to rely on God. Lean on Elohim for restoration, provision, greater goodness, and a happy fruitful life. Most people understand God create humans into a free broad space and fill

our lives with rich food and goodness. Chapter three introduces the temptations.

**GOD CAUSE TO GROW
FROM THE GROUND EVERY
KIND OF TREE THAT IS
PLEASING TO SEE AND
GOOD TO EAT... (GEN 2:9)**

Is there a deeper meaning to the temptation? We should try to understand each of the mistakes. **Each mistake gets repeated in all the future generations.**

Free Humans: God created us to be free.

Responsibility: Elohim, gladly left us to make decisions and then presents us with choices.

Choices were: if you wish, you can "obey my voice." It is in your power, to remain loyal to my Word. God shows "**life**" and "**death**" are set before humanity whichever you prefer **choose** it.

What are we still doing wrong?

Wisdom is the gateway to good and evil.

1. Beware of what you put in your mouth?
2. Beware of who are what is laying in wait to trick you into doing something you should not be doing in the first place.
3. Corruption, fraud, lies lead to tougher rules. Be careful. God warned Adam of knowledge of good and evil. The day you eat of the tree of knowledge of good and evil you will surely die.

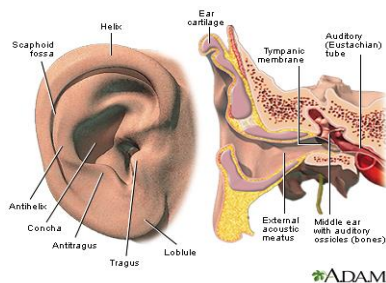

God Instructs Them All!

Why do humans have ears but refuse to listen and obey? Let us agree that there is no teacher like God. Cosmos, luminaries, beasts, plants, and humans gathered together when God created the earth. It happens to allow, some in great numbers others in lesser amounts to discover and cultivate the land. God prescribed the way to do it. One question for us is: **Do they all have ears? How does the ears function?** How come things listen and is playing their role? But most people struggling to follow instructions. Is it possible?

External and internal ear

Overview

The ear is a complicated organ controlling hearing and balance. When sounds waves reach the ear, they are translated into nerve impulses. These impulses then travel to the brain where they are interpreted by the brain as sound

Pay Attention To details

1. God made everything.
2. Assigned each thing its place.
3. Sun, moon, stars, and so on, are obedient to God. Heavenly **“things”** never ceases to obey Him. Sun comes out and goes back in. The moon too, has not stop doing their own duties.
4. **What is it?** What should we learn about our poor eating habits? And, poor behaviors that is killing us prematurely?

How Strange Is It?

Why this matter—Humans are historical **“wealthy owners”** of the land. It was a fully functioning world; everything blessed by God. He said to them, **“Be fruitful, and increase in number; fill the earth and subdue it. Rule over the fish of the sea, and over every living creature that is on the ground.”** What is the point? What is our purpose? Are we imbalanced? In **(Gen 1:28)** YHWH created man from the earth, very good, giving humans power over everything!

What Is The Objective?

Those are some uses for which humans are designed. Here we have been given the best options for overall growth, reproduction and success. **We were created by God it also means that He is the one to teach us how to achieve success.** By learning, listening to “God's voice” and the scriptures.

The Test Remain The Same For Us

Why is this so important?

Maybe you are asking how is it possible a serpent trick a smart human? Here is the argument, **“Did God really say; You must not eat from any tree in the garden” (Gen. 3:1)** It is a natural question—the fact that it was asked gives us the readers wisdom to see, “your wealth and all your mighty efforts will not bail you out of distress” **(Job 36:19)**. How often are you tricked while distressed?

Temptation—is a strong desire to have or do something even though you know you should not. But what happens if temptation--can hide itself in wisdom or a strong argument. This gives you a picture any person can become distress and under interrogative probe, turn to evil and harm the world. Even so, what you do under pressure is up to you.

Here is the important point, sin entered through one man, later on death spread to all mankind because of sin **(see Rom 5:12)**. God knew humans would make mistakes and do evil to others. This happen to show results of choices.

For now, let us go back to our Bibles and look at Genesis 1:27-28 So God created mankind in his own images, in the image of God he created them; male and female he created them. And God blessed them and said, “Be fruitful and increase in number fill the earth and subdue it. Rule over the fish of the sea and over every living creature that moves on the ground.” Genesis 2:25 Yahweh God took man and placed him in Garden of Eden to **“till it and take care of it.”**

What Should Humans Rule?

Genesis answer the question for you how humans were to rule the earth for best outcome. And it explains how to truly care something.

Is it tyrannically?

Insensitively?

Mean? Liars?

Murderers?

Disobeying God?

Answers to this question is critical. (Gen 2:15) God said, "take care of it."

GOD IS ALWAYS RIGHT

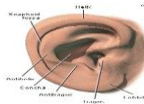

Why it is special to "care!" As the source of understanding; God's answers are always right. You should think about why we care for and regard the life of our beasts but refuse to care for some human beings.

Why should you care? Care is connected with action, to give and your being obedient. It is clear the command to **"fill it and take care of it"**, those words explain what care is; it is more about giving than receiving.

Learn Caring Is A Unique Job

What does it mean to care something you love? Let us think about how you care for your personal belongings that you love!

A very important question is— How do you care appropriately for yourself? Hopefully, you are giving devotion and time to caring for yourself. On the other hand, do you care for others in a that exact meaningful way? Meaningful relationships have mutual giving—even the earth, if you care for it. It will giveback meaningfully to you. What we see is lack of care is painful not good.

The Ear A Complicated Organ

How is what we are hearing affecting us? How does one's ears function? Here is a basic outline according to Longman Dictionary:

1. **The eardrum vibrates as it detects sound waves.**
2. **These are passed on to the cochlea by the three bones in the ear (hammer, anvil, and stirrup).**
3. **When the hair cells located in the cochlea receives vibrations a nerve impulse is generated in the auditory nerve**
4. **These impulses are then sent to the brain**

Natural Process for a good life

We are struggling with what to eat. And care appropriately for each other. Why can't we?

God explains a natural process to maintain a good life. Which reads, "You are to eat from any tree in the garden; but you must not eat from the tree of knowledge of good and evil for when you eat from it you will certainly die" **(Gen 2:16-17)**.

Two details are shared—

First: God specify the food man can eat and live a long life. So, eating the right food is key to a healthy life. **If we don't it's a man like yourself that one's sin touches.**

This is applicable to us.

Second: Obey God's voice. He continually reminds us obey Him. **(Duet 8:1)** Be careful to fulfill all the commandants which I give you today, that you may live and increase, and conquer the land Yahweh promised. (Are we not conquered and ruled by others?)

Do you receive two for one offer?

Lessons to learn from Eve's mistakes? **God is teaching us in the same way a trusted father teaches his child.** Eve had a two for one offer. Which took her and Adam out. Get it?

Gods do not die and so the serpent lied. He told Eve, "**God know that the day you eat it, your eyes will be opened and you will be like gods, knowing good and evil.**" This lie would change the world forever. How does this affect us? Have you heard two friends quarrelling next door? Maybe a husband and wife? **Why do we quarrel?**

Other lessons that emerge

Man should think rightly of God. He made a pleasurable world with the idea of providing us with delicious satisfying food, fruits, fabulous things and two lovely humans to fill the earth and make it more enjoyable.

Perfect harmony existed between God and people. A true friendship. Then lies enter and changes the relationships, breaking unity between God and man and between friends. Eve already had dominion over the serpent. She was the image of God too. Did she not believe God? And, why did she want to know good and evil? We are still choosing to believe lies.

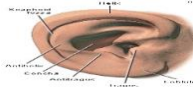

Take two friends out with a big lie

To destroy the friendship, get one of them believing untruth.

SHOULD INSTRUCTIONS BE HAMMERED INTO ONE'S EAR?

What is the solutions?

Why would God's plan for us to have a good future "go in one ear and out the other ear?" so quickly! It was not too much information all at once.

One speaker hammers his point

Did you notice how one speaker kept hammering his points into the human ears? **Repetition! Repetitions! (see Gen 3:1-5). What is the objective?** Repetition is an effective way for learning. The questioning and follow up is a divine revelation that teaches us how to make a point of something—until it becomes clear, strong or believable. What lies do you listen to and believing?

EVEN IF YOU ARE THE SMARTEST

You need to learn exactly how deceitfulness is harming the entire human race. It always works.

The serpent is spoken of in the Bible, a lot because it is an eternal harmful agent. As seen dated way back in Genesis it designed lying about what we see, hear, learn; as the way to deceive and harm us. Lies would be hammered into our ears until we believe it and hurt, and kill ourselves.

Of what value are you to others

What is the reason for making a helpmate? The second human

In one ear and out the other

being eternally established God's process of building one's life and giving help. That is God's natural order, designed as the way for people to reach their individual goal. What changed? Everything when humans was taught a behavior that is intended to make someone believe something that in not true; solely to make one's opponent fail.

Future Generations

We are deceiving each other. Political opponents accuse rivals of deceits and confuses their supporters voting plans. The rest of us make others believe something not true in order to get what we want. Everything began changing when the woman under attack choose not to cry for help. Something else worth knowing **(Deut. 22:23-24)** the verse is use as a precedent for rape that women bear the guilt if they don't scream for help. You need help? Ask for it.

Words Matter

The whole purpose of creation is to build relationships. But why two voices, two different purposes? One provides facts, explanation, give understanding on a specific subject. On the other hand, the other provides an alternate to the facts. The most riveting part of the lesson is man's willingness to hear, obey foolish counseling. The question is we prefer believing a lie,

even if the words are coming from the mouth of a creature!

Four Observations Are Visible

1. It is easier to persuade a weaker thinker.
2. But, disobeying the voice of God brought trouble on the whole earth (Rom 5:12)
3. Through what people eat they die.
4. If you know nothing about someone's disposition should you open up yourself to the unknown person?

What did Eve want? When we want things how do we not allow lies to lodge itself so deeply in our brains that we willingly give up our rights harm our self? Harm each other? It is critical to learn why we are still failing and believing lies. Here is the revision. God gave us this procedure

- Be fruitful
- Increase in number
- Fill the earth and subdue it
- Rule every living creature
- Care for the earth and he produces a helpmate.

The Bible constantly refers to our ears. Hear this and listen. Obey. You were given power to rule your own body. It is your duty to decide and take action what gets into your own brain. That is the beginning of knowing and then be willing to do what is right. A serpent or something is out there to prevent us achieving our goals.

True Wisdom

When a sieve is shaken the dirt fall to the ground, so too, the

defects of a man are seen when he begins to speak. Humans feelings can be detected in what we say.

(Jere 11) "Who is wise to understand these events? And who is the one Yahweh has chosen to reveal them: why has the land perished and been laid waste like desert where no one passes? "Let not the wise boast of his wisdom, nor the valiant of his valor nor the wealthy of his wealth. But if someone wants to boast, let him boast in this: of understanding and knowing me. I am Yahweh, the merciful; I implement justice and rule the world with righteousness. For in these things I delight"

THE PURPOSE OF OUR HANDS

(God made the woman taken from the man's rib and brought her to the man). **(Gen 2:25) Yahweh God took man and placed him in Garden of Eden to "fill it and take care of it."**

In the scriptures, yad, is used to refer to a physical hand, but more often it is used idiomatically to refer to power or the craft of a person or group. Thus, we read of the "hand of the enemy," "the hand of the Philistines," the "hands of Moses," and especially the hand of God" www.hebrew4christians.com.

The hand was to pick up or keep hold of things. What's that in your hands Eve? She was not taking Adam's hand and taking him to show him the serpent and asking for his help handling it.

The hand-power of a person's craft

- Humans hand help with something you are doing.
- A hand is to pass something to someone else.

Why is this serpent trying to get us to use our hands to kill ourselves?

(Gen 3:6) When the woman saw that the fruit was good to eat, and pleasant to the eyes, and ideal for gaining knowledge. She took its fruit and ate it and gave some to her husband." Do you get it?

What is your hand doing now? Is it harming another human being right this minute? What did Eve's hand pass to Adam? Something to kill him?

Adonai's hands pierced for us

Image when you tie a person's hand and feet you severely restrict them **(Psalm 22:17)**, reads, "Round about me are vicious dogs, villainous rogues encircling me. They have tied up my hands and feet. Jesus speaking to Thomas, **John 20:27** "Put your finger here, and see my hands, stretch out your hand, and put it into my side. Do not continue in your unbelief, but believe.

What lessons emerge from Eve

Corruption and violence and a bunch of unanswered questions—why did truth not stay in the hearer's mind? It went in one ear and out of the other.

Other Problems Are

- **Alternate facts prevent humans achieving goals**
- **Although God gave the two first people all that they needed, they committed sin (Gen 3, Jere 5, Ezek 22).**

- **Anyone thinking eternal life is obtain through faith alone in Yeshua and not include works. Eternal life was a gift to humans from creation until sin enter the world.**
- **(Jere 5:25 reads, "Your crimes have turned order into chaos, yours sins deprived you of the blessings...). Indulgence in evil suspended the natural order of life.**

TIME TO EXAMINE OUR SELF

Whose hand have you suffer at because they treated you badly? How do we escape the corruption? Can you give your brother a hand up?

(2 Peter 1:2-4) Grace and peace abound in you, through the knowledge of God and Jesus, our Lord. His divine power has given us everything we need for life and piety. First, the knowledge of One who called you through his own glory and Might, by which we were given the most extraordinary promises. Through them you share in the divine nature, after repelling the corruption and evil desires of this world.

Two observations are visible:

Although we are tempted to become complacent.

We are called and given such great a favor which is above human understanding of the gifts.

We should confirm our being chosen by truly obeying the voice of God and living a holy life that prepares us to maintain a relationship with God and each other. Indulgence in doing evil suspended the natural laws of things. Therefore, let us repent of our crimes because we are the ones that turned order into chaos.

God loves us eternally. Repent

Is there a deeper meaning to the first recorded sin? (Jh 15:10-17)

Nothing matters, if we are not obeying the voice of our God, Elohim. Yeshua teaches that we learn these things so that you be filled with His joy. As you and I walk out our life pursuing our dreams God wants us to enjoy our life. Sin happen to allow us to

see how when we make mistakes call on God, He will come help us turn away from sin onto the right path which leads to eternal life.

(Jeremiah 8:10) reads, from the smallest to the greatest are greedy for gain. I Yahweh, am presenting you a choice between the way that leads to life and the way that leads to

death. Disobeying causes trouble between humans and God, with husband and wife, and among friends. What does this mean? It is simple, this, do something nice for yourself and do what God says and you will live forever. It is more rewarding to obey the voice of God. It is less hassles. Less complications. Less suffering.

As we continue compromising, to our own detriment. Let us look back at the teaching of Yeshua. He teaches that humans should obey (His) voice. God made that very clear in the scriptures by saying, "A voice came from the cloud, saying "This is My Son, whom I have chosen, listen to him" (Luke 9:36)

When asked by a young ruler what can I do to be saved. Yeshua answers, do not let what you own become your god. Before that happens sell all of it. Part company with them. What is the moral of this teaching from Yeshua? The point is that we should let God be in first place in our lives (see Luke 18:18-23).

A brilliant young lawyer asks, Yeshua, "Teacher which is the greatest commandment in the law?"

- Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and the greatest commandment
- And the second is like it: "Love you neighbor as yourself
- Do not murder
- Do not commit adultery
- Do not steal
- Do not bear false witness against your neighbor
- Honor your father and your mother

What is the benefit of compromising with sin? All of these are related to one's actions...this is wonderful counseling Isn't it? To help us overcome sin, we should not be a compromising individual, community, nation or world. We should be on alert looking for opportunities to help the weaker or less fortunate ones.

Common instructions you should never ignore

[Love your neighbor as yourself](#). Many hands make work lighter. Be alert check in on your neighbor. And neighbor, ask someone to help you with your needs stop being prideful. Let them say no to your request.

IN CONCLUSION

We need to answer why we are listening to a serpent/Satan/Lucifer/devils? When the Bible says, "therefore submit yourselves to God, resist the devil and he will flee from you (James 4:7).

Does God use the Serpent/Satan/Lucifer/Devils

Yes, God allow him to test our faithfulness. The Bible ask us to learn lessons from Israel's **tests (Duet. 8:2)** "Remember how Yahweh, your God brought you through the desert for forty years. He humbled you, to test you and know what was in your heart, whether you would keep his commandments or not."

Just as questions is linked to its answers

When asked a question an answer is required. One completes the other. So too, God requires us to follow His instructions. When you listen and obey His voice it is the response God wants to see.

What does it mean to listen to someone?

To listen means to pay attention, heeding and performing the given tasks. As in scripture where it describes that Adam listen to his wife and ate the fruit from the tree (**Genesis 3:17**). Didn't he eat? Why do people not want to listen and do what God say? Do we hate God?

The people that are blessed today

Jewish people are blessed for one simple reason—Abraham obeyed the voice of God. (Gen 22:18) reads, "Through your offspring all nations on earth will be blessed, because you were willing to obey me."

Pay attention

Abraham did not blindly obey God. He listens to the voice of God and heeded what he understands to be God's requirement of him. The questions that needs to be answered by every individual is: Jewish and non-Jews, all people, all the nations is—why all this fighting, rebelliousness and searching for differences rather that seeing that we are all one. And we are all entitled to live a blessed life because of our father Abraham's obedience to the voice of God.

Blessed humans

We are all blessed humans created by the Almighty Elohim, in His image to be like Him. (Jere 7:23) teaches us, 'But this thing commanded I them, saying, "obey my voice" and I will be your God and ye shall be my people. Walk in obedience to all I command you that it may go well with you.

THE COVENANT

The entire book is based on "obey my voice" from Genesis to Revelation, God proclaimed by His prophets—when His people obey His voice, they are populous and prosperous and the land inhabited.

What will you change? Will you? What should human rule? Get help with an appetite for bad food.

Will you eat healthier?

Will you do more good things?
