

FRIENDS IN YOUR CIRCLES WHO WICKEDLY HINDERS THEM AS THEY HARM YOU (chap. 4-5)

HSE. OF THE LORD PUBLICATION

THE BOOK OF JOB CHAPTER 4-5

A True Conflict Worldwide—Signs That Satan Is Controlling Your Friends

(Job 4:1-4) Eliphaz the Temanite spoke next: Shall we speak? Do you mind? Remember how you have taught many others, how you have strengthened their feeble hands. Your words have supported those who wavered, have steadied the

knees that faltered. But when your turn has come, you are discouraged; as soon as you are struck, you are dismayed. Should you not rely on your piety, and find assurance in your integrity?

Awake, Be A Ray Of Sunshine—Satan Wants Us To Hurt Each Other

What do you do when you are signaling to others for

help, in search of relief from sorrow?

Do you think they understands? This is what individuals facing now! Let us remind you God, takes no pleasure

watching you suffers. **One solution to this perilous threat would be us rejecting Satan's offer to be wicked. There are basic facts as to; why, how, what, et cetera.** For this week the lesson ramps up a new level giving each of us understanding how **"Satan"** uses our circles of **"friends"** to make us feel sad; and be more unhappy wishing to die.

In this part, Job shows us what is psychological, emotional, mental pain! When his friends arrive to visit him after he lost everything, they saw him distressed, sorrowed cause by deaths, disease, severe losses.

There was a long delay, before his friends spoke. For seven days, and

What do you believe is elementary to the renewal of family relationship, community, region and WORLD's health?

nights, friends seated silently the first one speaking had no comforting words for Job; to arise, stand against what

is now known as the **"Adversary."**

But Instead of encouragement, just think, of you scolding a man suffering. All of his body covers with painful sores, shock, having suicidal thoughts. Learn of the real dangers. Who do that? We have proof of it. What is next for each of us? Yeshua. please help us. Save us!

Judgmental Spirits Is Evil

Do we want to understand people's pain? Instead of nit-picking, cutting others down to size. Most humans, tendency is to measure others by their own opinions of themselves.

(MATT 5:4)

"BLESSED ARE THOSE WHO MOURN FOR THEY SHALL BE COMFORTED."

When disaster struck nothing should be more important and should speak loudly to your heart more than the human suffering. Their pain should tug on your heart and make you want to move quickly to do something and improve their situation.

Fill the need whatever it is the person needs to have a sense of normalcy. Give it. Having said that, think about all the what ifs, they are dealing with. And, do not add any more pain to their grief-stricken souls. GENUINELY LOVE. Amen

WHAT IS AN EXAMPLE OF EMOTIONAL PAIN?

Wikipedia—"Psychological pain, mental pain or emotional pain is an unpleasant feeling of a psychological, non-physical origin. A pioneer in the field of suicidology, Edwin S Shneidman, described it as "how much you hurt as a human being. It is mental suffering; mental torment."

Understanding the basis of one's pain is important if we are going to help them! **If you want answers, Job's life shows us significant cost of personal and the social issues of physical or emotional pain wreaking havoc on one's health.** While a wrathful Adversary, thwart things so family, friends, not showing any empathy to humans' sorrows. Or respecting the needs. Physical or emotional pain affects not just personal but social issues; and has a significant cost to societies globally. But no one cared about Job's feelings.

This is what is happening to people across the globe. Many are unaware of the harmfulness of their actions. **It happens:** friends keep scores. We hurt each other. But what do you do when friends are trying to make you feel guilty? Job's friend ask aren't you the one with the belief you have the ability to do things well, deal with issues successfully? Why do you not trust God and use your skills? Where is your confidence now? Now, it is personal and you are dismayed? Discover, only a dedicated God seeker can communicate peace, strength to you during chaos

Evil Designs Full Human's Hearts?

Let us do the necessary revision of Job chapters 1-3 because a big question needs to be answered. **Why does it involve (Satan, Lucifer, Devil, The Tempter's) temptations; his actions to help contribute to man's salvation?** Of course, this only ends well, with the—human being's choice to finally surrender to God. I think it is an answer of the evil in human hearts to be wicked.

Currently we are progressively worse, demeaning, hostile. All this activity is in line with **Satan/Lucifer** testing your loyalty. And sad, they are not improving; King Solomon says although it is unfortunate you should expect all humans to be wicked **"I have observed this and set myself to consider everything that is done under the sun, when man is given the power of harming another. And so I have seen the wicked buried and people come from the holy place to honor them, forgetting how they acted."**

Found in **(Job 1-3)**, we read, Satan challenges, God to give him power to harm Job. So, God sent "Satan/Lucifer," to test Job, in order to defend God's reputation. From the very start of the attacks; humans were used to rain terror: Murdered Job's 10 children, burn their home, destroy the business.

Did those humans realize they were committing a serious sin? Job lost everything, then three of his preacher friends were used to make his life harder. What happen to these people's consciences?

Isn't This Crooked Thinking?

(Job 4:3-4) Your words have supported those who wavered, have steadied the knees that faltered. But when your turn come, you are discouraged; as soon as you are struck you are dismayed.

Is that good advice? This way of thinking makes us at ease when injustice is done! Why not offer hope, a more peaceful time to come in the future, when oppression is only a mere memory, people not critically hurting! **(Isa. 35:3-4)** says offer the ones that are weak hope, "Give vigor to weary hands and strength to enfeeble knees. Say to those afraid; Have courage, do not fear, see your God comes demanding justice. He is the God who rewards, the God who comes to save you."

Lord Jesus, please help people understand why **"Satan/Lucifer"** is angry when humans worshipping God. Who believes Satan wants anyone fearing, worshiping God? Those two things get under his skin. It is also partly why good people suffers. **Additional it is worth noting all of societal issues and rebellion comes from "Satan/Lucifer."**

Imagine, your friend asking are you not the one who fear God and hate evil **(Job1:1)**? There is the text **(Job 4:6)** **"Is not this thy fear, thy confidence, thy hope, and thy uprightness of thy ways."** For someone in pain suffering how much attention do you give those causing you more harm? When people come to help but start adding more suffering to your life. Please **tell us what should we do?**

Blaming Anyone Wrongly?

(Job 4:7-9) Have you seen a guiltless man perish, or an upright man done away with? As I see it, those who plow evil or those who sow trouble reap the same.

Let's Ask Our Self: and repent.

Am I the type that is keeping score? Always ready with a sharp rebuke? Getting others exhausted from arguing; trying to shut them up? Am I doing what is right, by comforting God's way? Compare Job's friends to Rav Shaul where he wrote (2 Cor. 2:4-6) so afflicted and worried was I, when I wrote to you, that I even shed tears. I did not intend to cause you pain but rather to let you know of the immense love that I have for you

When people have a froward mouth; if we allow our self to become resentful then the painful emotions may prevent healing. On the other hand, it is natural, some individuals may not improve because of constant punishment inflicted by an unfair world. And by those ignoring your suffering. **Here is a word from the wise, be mindful when friends are on the attack for no apparent reason.** Listen, carefully, sometimes they have no explanation nor do they understand the wickedness they do to harm us.

Stop! It is important for me to recall some things I was convinced was the right thing to do. Is far, from what we should do for the good of humanity. Do not tell others how to feel when their life is in over-all ruin. Be willing to change your behaviors. Do the right thing to the people in misery.

EAT YOUR OWN WORDS

(Proverbs 12:18) says "There is that speaketh like the piercing of a sword but the tongue of the wise is health."

God's purposes are great who can really understand them without his help (see 2 Cor. 2:7-6 and 1 Th 5:14).

Job's issue affected an entire region. His very own adult children were dependent on him. And he allowed them the same rights as he allowed himself. He lived as if failure to share his money; time, other resources would cause religious and other social issues (see Job 30:25). He mastered life. Think, although God said Job did nothing bad to warrant being treated in such a despicable way, **by God, the government, Satan, demons, friends.** He was! Satan, sent schemers to stain a blameless man's reputation. Treated him like criminal! **This happens around us.**

HUMILITY IS A DISPOSITION TO SERVE OTHERS

Look to the deeper meaning what the friend Eliphaz said critical of Job (vv. 1-9), of counseling the people suffering under their load. At the same time Job is grieving he was inferring Job's words were mere talking. Since now, Job was sinking under the pressure. Wow. Untrue! Job gave sustenance, see (Job 31), **he humbly** serve others—from my youth the fatherless was brought up with me as with a father, I have guided her from my mother's womb, the stranger did not lodge in the street but I opened my doors to travelers. Do you get it's not just counselling?

Let Not Others Stain Your Reputation

Absolutely, Job did not just work for himself, but he toiled helping those needing instructions or source of revenue. A very, very influential public leader, great father, blameless in God's view. As long as he lived, he did not give power over his own life to anyone

How are you serving friends?

(Job 4:7-9) Absolutely wrong way to address anyone who is hurting; especially a blameless person. Be humble enough, to ask God for help to identify the need. Good biblical advice Eliphaz! In fact, exactly what the words of God says (Hos. 10:13). **But, if Job listens to you, he injury himself.** Notice, Satan can rely on us to be quick to beat down, nit-picking, cut others down to size. We are good at chronic criticism. Keeping score. Do we have the foggiest idea of Satan's crafty mode of operandi? (Read the bible...)

Who in your circle of friends?

What we see should test all our knowledge: Do you truly know when Satan is speaking through your friend's mouth? He came in Job's friends. Interesting allegations chiefly because your friend should know you. Wicked liar, accusing you of things you are not guilty of. But takes away credit you deserve for helping others achieve purpose.

THE QUESTION ON EVERYONE'S LIP NOW SHOULD BE HOW DO I NOT PRACTICE SUCH WICKED ACTIONS? Job was a community builder. Loyal to his children steadfast and, faithful.

DRAW THE LINE SOMEWHERE

(Job 1) shows Job waking up early each day, pray, for his adult children for protection, just in case they sin. He is like Abraham, one more loving father, with military political, spiritual, influence. He trains his entire household to obey the Commandments of God. The lips of the righteous feed many, but fools die for want of wisdom. (Prov. 10:21). God's wisdom is in each of us and so far, we mostly choose listening to and become "Satan's fools, bulls raging against each other. Watch your action!

Carefully examine the bible, we need to understand it better. **IT SHOWS THAT GOD IN ALL HIS GREATNESS FAR ABOVE HUMANS IMAGINATIONS, TIME, SPACE, LIFE, IS KIND, TRUE, BEARS EVIL PATIENTLY, AND TREATS EVERYTHING WITH MERCY. HE LEFT HIS THRONE IN HEAVEN CAME ALL THE WAY DOWN TO THE EARTH AND BEND DOWN TO THE LEVEL WE ARE TO SERVE US.** The moment we are conceive! We cannot praise God enough in Your perfect righteousness, Your every action; describe how we should want to serve others and help care them especially those grieving. **Religious dogma is cruel!**

Satan led the friends terrorizing a grief-stricken man. Our words are powerful and carry impact that is very strong. Think, who have we damaged with our word? Criticizing them to be who we think they should be based on our view of our self. Holy Spirit help us against this wicked spiritual being.

What is the connection with the feeble hand and knee? The answer for that question is, persons (as Job was) is having much less than average intelligence; because something makes them extremely weak, not very good or effective—causing them weeping, unable to think clearly and to decide what to do. **They need comforting.** See (Job 2) for vivid details; when he became depress; began crying for death.

Frankly, nothing edifying for Job was in Eliphaz speech. And its why we are not able to minister to a lot of hurting people nowadays. They vehemently reject all advice of people teaching from the Holy bible. Having said that it is very important to use the scriptures properly to give advice. (Isa. 35: 3-4; Dan 5:6) encourages us to lift up the hands which is hang down, and the feeble knees.

(Job 4:12-16) I had a secret revelation; a whisper of it reached my ear. Amid thoughts from night visions, when people are heavily wrapped in slumber, I was seized with fear and trembling that shook me to my very bones. A spirit passed over my face, and the hair of my body stood on end. It stopped and stood before my eyes but I could not make out what it was.

What passed your face Eliphaz?

A whisper reached my ear. A spirit passed over his face. Whose spirit? He said, "I could not make out what it is." Be quiet then.

(Job 4:16b-21) Silence and then a voice was heard: Can a mortal be just in the eyes of God? Can a man be pure before his Maker: If God can put no trust in his servants, if he can charge his angels with error, how much more those who live in houses of clay, whose foundation is in the dust, who are crushed as easily as moths! Between dawn and dusk they perish and unheeded, vanish forever. Their tent has been unpegged and they died without knowing why.

DREAMS FROM EVIL SPIRITS

The most intriguing thing is we are all getting it wrong. The Holy Bible gives information about the world of dreams, describing how it works in order to make it easier to understand them. But we do not.

(Sirah 34) is explicit, very clear and direct, **"To rely on dreams is like grasping a shadow or chasing the wind. What you see in dreams are only reflections: a person sees his own image. What clean thing can come from unclean? What truth comes from what is false? Divinations, omens and dreams are empty, like the fantasies of a woman in labor. Unless they come as messengers of the Most High, do not pay attention to them. For dreams led many people astray."**

Eliphaz confirm this account to be true. Unclean spirit passed him. First thing first, we should know, or understand truth; especially after thinking about it carefully. Be sure of who speaks! Is it God's voice?

Satan's? Demon? **Second, what has God explained about Satan, Sin and hurting each other?** "If you refuse to do what is right, sin is crouching at the door" (**Gen. 4:7**). But you must rule over it. To rule over sin, we should discern; what, whether, how, and so on. Listen with your heart, to make good judgment about people, style or things. Respond to Satan as Jesus did, **rebuke Satan** and say, it is written, give scriptures to frustrate him. And for supporting your friend wait, hear from God that which is not easy, able to see, or hear.

SPIRITS THAT WHISPERS

Speaking about a spirit that whispers. Elijah, another servant of God was in a battle for his life. Similarly, to Job. Satan, uses a king Ahab, his wife Jezebel trying to murder one more blameless man. Jezebel spreads evil rumors, so that others would have a bad opinion of Elijah. She prevails; because the servants of God became afraid of her! Then switch sides and kept silent. While Satan's agent chases a man of God city to city to murder him.

Elijah's life applies here: While he was hiding in a cave Elijah hears a whisper. **Whose voice is it?** Remarkably the biblical text, (**1 Kings 19:12**) reads "After the earthquake there was a fire, but the Lord was not in the fire. And after there was a voice, a soft whisper." **Why a whisper?**

Strategic Confusion Eliphaz?

The main differences between the two "**whispers**" is: Elijah was confident of God's presence. But Eliphaz could not make out what it is. Indeed, never forget there is no softer voice than our Father's in Heaven. His presence, not always an audible sound, or, deafening silence, but in times of needs He will not forget you. Those moments of complete quietness our Father God is there and so is Satan too.

The word "**whisper**" means, a piece of news or information that has not been officially announced synonym (**rumor**). Literally, a low soft sound made by wind, snow et cetera. Quality or substance that is almost too small to notice. **Intransitive verb:** whispering—to give an example, a situation in which someone privately spreads criticism about another person in order to make people have a bad opinion of them. **Why a whisper?**

A few outstanding things

(**1 Kings 19**), Elijah knew God was not in the earthquake or fire; but clearly recognizes God's small voice. Think, God's voice is only a **soft** whisper, yet the minute He whispers—even if the sound was almost too small to notice. And remember, too, the voice is by an invisible God, but the man of God knew the voice of His God, the Holy One. Elijah was not guessing, whose gentle voice he hears!

Who whispers to Eliphaz? It is easier to understand why the spirit talking to Eliphaz was a familiar spirit. It was not God's guidance; because Eliphaz said "I could not make out what it is and it whispers and mutter (**Isa. 8:19**).

There is two distinction: 1. First, God's whisper gives assurance and truth. **2.** While whispers from a lying spirit brings confusion, pour out, affliction, sadness, grief. And cause friends to harm each other.

You believe this wickedness?

Satan is planting seeds of evil thoughts (rumor) in the man of God, Eliphaz's heart to hurt Job more instead of encouraging him.

A spirit gives Eliphaz a dream which frightens him. In turn, he is teaching Job. What? A very good lesson, good words, "that God's judgement is not for the righteous, but for the wicked. Instructing Job to humble himself before the Most Holy and excellent God. (Job 14:16-20). Can a mortal be just in the eyes of God? Can a man be pure before his Maker: If God can put no trust in his servants, if he can charge his angels with error, how much more those who live in houses of clay...crushed as easily as moths! **Wrong inkling about Job's trouble.** Satan is using him to dethrone Job with dogma. Wrong timing, very bad counseling!!!

WORDS MATTERS

Two most interesting quotes from Eliphaz. First, **(Job 5:3)** "I have seen the foolish taking root but suddenly **I cursed** his habitation" (KJV). Second quote **(Job 5:6)** "For affliction comes not from the earth, nor does sorrow sprout from the ground; **humans are those who carry about trouble.**" Such a fight is true for humans worldwide, we curse each other. Do you trouble others with wicked words? Why? Indeed, "the heart is desperately wicked who can know it" **(Jer. 17:9)**. Go deeper with me later.

Thinking your friend is a fool

(Job 5:1-17) Resentment kills the fool, and anger slays the simple. Call then, but who will answer you? Who of the Saints will you turn to? If I were you, I would appeal to God and lay before him my case, for wonders are past all reckoning, his miracles beyond all counting...Blessed is the one whom God corrects; reject not, therefore, the lessons of the Almighty, He cures the wounds he has inflicted....) he heals.

Several things that are typical, then there is the point which, Eliphaz raise a very interesting argument, found in (Ps 35:37) "I have seen the wicked in great power, and spreading himself like a native green tree. Yet he passed away, and see, he was not, and I sought him, but he was not found. Gosh! Instead of saying what he mentions. Maybe he should think what his friend really needed from him at the moment, including to keep silent. And not harm him!

BE NOBODY'S FOOL

The bible warns us to not take advice from one who looks at you suspiciously. "**A truly wise man teaches his people and they benefit from his knowledge.**" Is there any knowledge in the verses to help Job? Typically, when a person is very vulnerable, having a meltdown, wretchedly, but only then several of our friends chose to confront you of things past which perhaps, they do not like about your previous encounters.

Strengthen yourself, reading the Bible, word of God for yourself. Ask for understanding that way it will be difficult for anyone to trick, and deceive you because you lack knowledge. God gives very good explanation describing why folks are perishing, "My people are destroyed for lack of knowledge; because thou hast rejected knowledge (Hosea 4:6).

Job's life is very fascinating, particularly because we see that things are not so simple. Some of the time, emotional distress is the result of the actions of others. Other times it could perhaps be coming from regrets, grief or loss. Indeed, God teaches why several people are destroyed. Humans have the tendencies to quickly do things without knowledge; not thinking about it first. Think, do you always stop, think about a thing before you speak? Do not lie.

Likewise, some people will go out of their way to deliberately say something egotistical to make

others look stupid. Or make a fool of friends in public. Quite different is it with the person who is led by God. He opens his or her mouth, and make intercessions for those that are wounded. Answer why not pray for your friend grieving? Why would you do otherwise?

(Job chapters 1-5), explains the spirit behind Eliphaz's evil speech. **Satan had him hassling, dogging Job.** In other words, according to the explanation Satan programs one's mind with criticism, however humans are those who carryout, spread the trouble. Nowadays it is much easier to do; you only need a type of electronic device. Even so, Eliphaz soon feel true care for his friend. Notice the difference between both speeches. Here he gives Job an optimistic view of what human life should be like.

It is important to underscore the following words that Eliphaz spoke, **(Job 5:8-11)** "If I were you, I would appeal to God and lay before him my case, for wonders are past all reckoning, his miracles beyond all counting. He pours rain down on the earth and send water upon the fields. He sets the lowly high, turns grief into joy"

THE WISDOM OF GOD

Thank you, God, and Yeshua, and the Holy Spirit. God carried us from the womb. And will carry you to old age and sustain each one of us and save those who call upon him. (Romans 11:33) says Oh, the depth of riches, and wisdom and knowledge of Elohim!

How unsearchable is God's judgments and untraceable His ways! Or who first gave to Him and through Him, and to Him, are all, to whom be esteem forever. Amen. Although we are plagued with much suffering still, we refuse to obey God. Let us lift up our voices to Heaven, for understanding for everyone that together we can be all that God created us to be.

Pain Is A Problem

You should signal that you are in pain, it should be enough to stir up empathy and compassion in others. Causing us to want to help but this theory is not necessarily always true. **So, what do you do when you are signaling to others you need help, or seeking relief?** What if they do not understand your suffering? Your pain, misery is complexed God, understands, Elohim knows how much we can bear. In the **nick of time**, just before Eliphaz's mouth ruins Job with his words. God intervenes, stops the folly. But why was Eliphaz not able to give appropriate help, empathize with Job's pain?

Problems in our societies

The wise King Solomon makes this clear distinction, **"It is because sentence against wrongdoing is not passed at once that evil designs fill the human heart."** Blames, lack of responsibility, no compassion is to be laid flatly on civil and religious leaders, you, me, our family and friends, all of humanity causing the suffering of other humans to be worsened.

SATAN GO BURN IN HELL

Satan/Lucifer, is not in control; but Eliphaz reveals something that most of us missed. He works for **"Satan/Lucifer"** secretly, pushing Job, to harm himself. Sure, people who knows the word of God knows that he brings the wicked down and lifts up the humble. But, when doctrine is confusing, timing wrong it causes more harm than good. **If not for God, Satan would use the friend to push Job to go crash and burn in hell...I will show you other clergymen in the Bible doing magical rituals and worship God. One die brutally for doing it.**

Compassion In Eliphaz's Speech

God is in control!!! He turned things around that Eliphaz could be encouraging Job, seeing him hurting as a human being. This is a necessary change, at the very least remind your friends in pain, the bible says, **"let us turn to YHVH, for He has torn but He heals, He has stricken but He binds us up" (Hos. 6:1)**. "No trial has over-taken you except such as is common to man, and Elohim is trustworthy, who shall not allow you to be tried beyond what you are able, but with the trial shall also make the way of escape, enabling you to bear it" (1Cor. 10:13).

These are Eliphaz ending words to Job: (JOB 5:19-27)

From six troubles he will rescue you; at the seventh no harm will touch you. In famine he saves you from death; in war; from the threat of the sword. You will be protected

from the lash of the tongue, and have no dread of marauding bands. You will laugh at destruction and want and have no fear of wild animals. No more stones in your fields, the soil will serve you and wild animals be at peace with you. You will find your tent secure, your household untouched when you come home. Your children will be plenty and descendants like the grass of the hill...this we have examined and found to be true...).

Finally, Eliphaz God bless you, for these words of wisdom at the end. Hope we will not hesitate to repeat them to our close friends.

Pain as global public health

www.ncbi.nlm.nih.gov, 2011, stated, "Pain is an enormous problem globally. Estimates suggest that 20% of adults suffer from pain globally and 10% are newly diagnosed with chronic pain each year. Nevertheless, the problem of pain has primarily been regarded as a medical problem and has been little address by the field of public health. (Daniel S. Goldberg and Summer J McGee). May 10, 2019 this site published online: "Chronic pain is a common, complex and distressing problem that has a profound impact on individuals and society."

Is Satan In Your Real Friends?

Look at the history of humans and think about what we could have done, if only the first two had obeyed God. Instead of obeying Satan/Lucifer. Once they made their choice to be obedient to "Lucifer" both suffered cruelly.

What is our solution

Adam and Eve were cruel to each other, which we do not have to accept. Since then, truly, humanity has improved ourselves with great intellectual knowledge and there is not too much secrecy about how “**Lucifer**” operates. We have proof of that because of the constant chaos. It's no accident world leaders, civil and religious leaders, we are experiencing such wickedness and chaos. We will not change the world, only God can, but speak up about Satan's craftiness. Several people know what Satan does, but choose to get people not as knowledgeable as they are, involved to promote Satan's wicked agendas.

One solution for our problem concerning the people robbing, murdering, calling down fire from heaven, burning properties, doing sorcery is. **Remove the secrecy of the individuals and the rituals.** Just as God reveals Job's identity. And most God-fearers publicly identify with Jesus. So too, should Satanist, Luciferians say publicly to friends, family, world, you are practicing and worshipping Lucifer. **Why should anyone worship Lucifer; if he has to take orders from God?**

Signs Satan Is In Our Friends

The way that Eliphaz revealed his connection to “**Satan/Lucifer**” missed most of us because he was preaching the word of God. Are there any certainty Job's friends have been hoodwink? This means are they sorcerers? These were

religious men teachers of the law of God, so see what it says, which tells us what God demands, both in terms of their worship and their daily lives. **Pay attention!!!!**

NO ONE SERVES TWO MASTERS

(Job 42:7). “**I am angry** with you and your two friends because you have not spoken of me rightly, as has my servant Job.”

WHEN GOD SAYS HE IS ANGRY WITH HUMANS WHAT IS IT CONNECTED TO? FOCUS on Job's friends some more. Why did God rebuke them? Those are God's own words in the text, He was speaking to Eliphaz! Why not refer to them as His servants?

Sacrifices For Wrongdoing

(Lev. 5:20) “Yahweh spoke to Moses; he said: 21. This refers to the man who sins against Yahweh **by not returning to his neighbor a deposit or a security, or withholding something due to him;** 22. And also to the one who finds lost property and swears he has not found it; and also to the man who swears falsely in one of the cases in which people usually swear. 23. **In all these cases the man who sins and becomes guilty is to give back what he has taken or demanded that does not belong to him:** the deposit entrusted to him, the lost property that he found, or any object about which he has sworn untruthfully. He must repay the owner in full and give an extra fifth as well on the day when he is found guilty. Then he is to bring a **ram** without any defect to Yahweh as a sacrifice of repayment. The priest shall offer the sacrifice for the man's sin and he will be forgiven, whatever the act of which he became guilty.

Who were these friends?

Are you certain as yet what Job's friends, were sent to do? **Match to today's standard, these are Clergymen/Pastors/Luciferians.** Practicing Luciferianism while they teach the word of God. What serious sin did they do against God? There definitely is some dishonesty. **Is it two masters? Does it have something to do with the evil and wrongdoings in (Leviticus 5:20-26)?**

God's Word of Job's friend's, folly

(Job 42:8) “Now take seven bulls and seven rams, go to my servant Job, offer a sacrifice for yourselves and let him pray for you, I will accept his prayer and excuse your folly in not speaking of me properly as My servant Job has done.

What is the connection to the seven bullocks and rams God told the friends bring for their sins? The first known sorcerer is Balaam. It is important to recall what God said to him when he went to curse Israel. (Num 22:22) But **the anger of God** was aroused because of his going.” See **‘anger’** repeated? And see the 7 bullocks, 7 rams.

Britannica.com - biography Balaam

“Balaam, a non-Israelite prophet described in the Old Testament as a diviner who is importuned by Balak, the King of Moab, to place a malediction on the people of Israel, who camped on the plains of Moab.”

Those two exact things being a prophet of God and a Luciferian are offensive and incompatible. **It is a mistake to believe in and to worship Satan, get truth; because those people are established in the bible as false teachers. (2 Pet. 2:13-16)** “They will suffer the repayment of their wickedness. The delight in

giving themselves to depravity, even deceiving you in day time; they are deceiving you, even when they are sharing your table...They abandoned the right way and followed Balaam, son of Beor, who was attached to what he gained from his wrongdoing.

Balaam was called to curse Israel (Num 22:5-6). (Num. 23:1) Balaam said build me seven altars here and prepare me seven bullocks and seven rams for me...). God met Balaam who said, "I have prepared the seven altars and on each I have offered a bullock and a ram. Balak has brought me, "Come curse Israel for me." How can I curse him whom God has not cursed?"

According to Jewish virtual library online source, "Balaam (Bil'am) and the identity of the person." "There are essentially two way of parsing the name Bil + am, whereby the component am is a kinship term and bil would represent the divine name, Bel, yielding the sense: "Bel is my kinsman" (b) A name incorporating the verb b-l- "to swallow up, destroy,"

Let these things warn us that we may depart from Satan, who wants us to swallow up, destroy each other. God will not be mocked. Balaam, who was a prophet of God was prophesying, because God made His spirit come upon him to prophesy Israel's victory and future. But he taught their enemy how to tempt them to sin and defeat them **(Num.22-31)**. Balaam's life ended by him being killed with the sword because of his evil opposing God.

These friends were men who think of themselves to be religious. God reject the way they worship him? Did they really deliberately cover up knowledge they knew about God? Why send them to repent? Reading the story, you quickly realize God did not tell a fourth friend Elihu who counsels Job, to repent. **Why not?**

If impossible to serve two masters

Two masters are fundamentally incompatible, scripture says, **"no one can serve two masters.** Either you will hate the one and love the other, or you will be devoted to the one and despised the other." **Moreover, Jesus went on to say that "You cannot serve God and mammon". These words contain a warning to each of us, that we can be more careful in the future.**

Who, is Mammon?

According to Britannica.com reference and the definition of mammon is: "Medieval writers commonly interpreted it as an evil demon or god."

Worshipping Lucifer, demon, a false god, whatever label we wish to stick onto these entity it is not just merely a question of secret sin, wickedness, but it also seriously impedes development insofar, as it is related to the level of irresponsibility, lack of concern for and with the struggles of other human beings. God particularly rebuked the three friends of Job, because of their selfishness and personal hate in their hearts.

No truer History of Satanism

Do not forsake people who worship **Satan/Lucifer**. Contrary to what Luciferians says, God makes a very clear distinction; these people are unconcerned with the good of humanity. But we all have friends, family, secret, **closest "Luciferians."** These numbers are higher than you know. They are in every sector of our societies. Do not seek to improve themselves to know God's wisdom, justice and equity through learning God's truth. They strongly opposed to anyone who does not support their beliefs. Cult practice remain a constant temptation since Adam and Eve. You may be unaware that those who belong to Satan praise transgression and are the ones that allow it. All through the bible to today it is widely developed. As you see, from Job's life the solid proof how Lucifer uses humans to swallow and destroy each other. **How does this affect you and I? If you belong to any secret society you have open yourself for God's wrath. Repent!**

Who is your friend?

I cannot tell you who to pick for a friend. I can testify, we all need trusted friends that will tell us the truth. Hold our hands and cry with us when it seems like no one else in the universe cares about us.

Who will you turn to when the crisis coming gets worse? A person who helps you when you are truly in need is a good friend. So far, several people today, have no one warm, nice, amiable easy to talk with in their life. Just two doors away lives someone who have no friends. No one to help them.).

OBSERVATIONS AND ENCOURAGEMENT

Spend some time in your day to day encounters, hand-picked someone who you like and like to spend time with now, and build a relationship based on respect for each other's privacy and unique individuality. I have real friends. Of course, some have high standards, good, others behave like BULLIES. I will never be without good friends.

"Every friend says, I am your friend too, but some friends are only friends in name" Go to a trustworthy man whom you know to be a keeper of the commandments, whose soul reflects your own and who will suffer with you, if you fail. In the end keep to your own heart's advice, since no one deserves to be trusted more than your heart. For a man's soul often gives better advice than seven watchmen placed on a height. Besides all this, implore the Almighty to guide your steps in truth" (Sirach 37

1. **First, resist anyone trying to make you doubt the truth about yourself.** And do not tolerate anyone trying to get you to match their view of who you should be according to how they see themselves.
