### THE BOOK OF JOB CHAPTER 3

Depression, physical pain—The bible Expose Job's suicidal thoughts

**(Job 3:1-3)** After this Job opened his mouth and cursed the day of his birth. And Job spoke, and said: May the day perish on which I was born the night in

which it was said, A male child is conceived. May that day be darkness; May God above not seek it; Nor the light shine upon it. **Watch for signs?**

### Mental Illness—Supernatural Madness All Over The Globe

**A** person who has not had severe trials knows very little about it. Those never in real danger, to lose their life, repress low-spirited, attack, cannot empathize with you. They have nothing to help

them relate to your experience. To help, the life of Job simplifies some human strength and weaknesses. Last publication speaks of Job's losses. This week the Bible expose his mental health and bodily sores covered his body head to toes.

Equally, for us many people we know are crackling today under stress personal, political, financial. Rising number of people has **LOST EVERYTHING** just as it happens to Job, **RUINS**, death everywhere. **The spirits of people are crushed.**

To whom should we turn? Who is your support? For the ones who

serves God. **Will the word of God help us get through the hard times ahead?** Also, we should be on the

Vulnerable because of sorrow distress caused by loss, affliction, grief sadness and regrets. If for no other reasons coming from a REAL sense of shame and mortification. Are you prepared to comfort those who are alone, suffering, feeling like not even God is with them? Truly, Job's life teaches us that it is important to respect people's situation no matter how crazy they behave in public. Melt downs are coming; people will have an adequate reason for anxiety. Be kinder, readily assist in whatever way you can to ease their pain. Get professional help.

### BLESSED ARE THOSE WHO MOURNS (Mat. 5:4)

**"Blessed are those who mourn for they shall be comforted."**

When disaster struck nothing should be more important and should **SPEAK LOUDLY TO YOUR HEART** more than the human suffering. Their pain should tug on your heart and make you want to move quickly to do something and improve their situation. Fill the need **WHATEVER THE PERSON NEEDS** give it. And, do not add any more pain to their grief-stricken souls. Amen

### The New Battle strength to live

Who have been tested in life this way and remain perfect in public and private?

(Job 3:4-10) "May the shadow of death claim it as its own. May a cloud settle over it; may blackness obstruct its light. Let it not be included in the month. That night—oh, let it be barren, untouched by shouts of joy; Let it be cursed by those who hate the light, **SORCERERS** who call on the devil. Let its morning stars no longer shine; let it wait for light in vain and never see the first rays of dawn, since it did close the womb to keep my eyes from seeing doom" (NIV). **(FOCUS KEENLY ON THE WORDS).**

Notice, Job challenge the day of His birth. **What would cause his thoughts to wander back to the day of birth instead of the current troubles?** Very important because all that happened dominated his thought. Which opens his mind so the enemy Satan, gains control. The biggest part of the war is the battle in the mind and for the soul.

**What Satan was seeking to do—is to keep Job not thinking correctly. That is how he uses one's wounds to produce strong emotions. Bear in mind, it is the continuous feeling of sorrows why Job repeatedly wishing for death than life.**

**Y**et, never be thinking we have the right to tell others how to feel when their life is in ruins, worrying and pain. Here Job offers the world a sneak preview of torments in his mind. Job cursed because of pain. What to learn if a friend speaks that way? "**Curse**" in Hebrew is Qalal=to be slight, be trifling, be of little account, be insignificant. See for yourself, the

images in the person's mind of him or herself. Depressed Job want the day of birth blotted out. What is it?

### **Satan The Thorn In Job's Flesh**

The friends help push Job over the edge because Satan has the power to dominate one's mind. Has more power than people to control situations. He usually picks something, and have his victims focus on that one thing to control them. Example, in Eden he shows Eve a fruit kept her focusing on it until she lost self-control.

To "**dominate**" means: "to be larger or more noticeable than anything else in a place or situation." Here are Job's words trying to control the day of his birth. **Let it not be included in the month. That night—oh, let it be barren, untouched by shouts of joy; Let it be cursed by those who hate the light, SORCERERS who call on the devil.**

**T**he "larger situation" Satan was controlling is—"the day of Job's birth." Made it the most important feature more than the robbery, murder of his children and staff. Satan does not care about humans. He is domineering. Angry about your birth. Controlling people without considering how we feel or what we want.

Job was like anyone of us. He had a cheerful mind and life. But Satan uses other humans, demons struck Job. Until he could neither eat or sleep, sighing over his losses, tormented, and cursing himself. Sorrows destroying him. Worries, drive sleep away, pain biting Job.

### **GIVE US ROOM TO GRIEVE BUT...**

Serious illnesses make resting difficult. **Beware of the slip of the tongue when speaking to people who feels like an iron yoke is around their necks.** Be kinder to those who have fallen on hard times. And do not bear grudges!

Think of the mental state of this man to say let the day of his birth be blotted, blot off the calendar. (Job 10:18-19) I should have been carried from the womb to the grave. **HE NEEDS HELP. How is your faith working?** Hope it is solid.

### A QUICK QUESTION?

#### **Job speaking like a sorcerer?**

Did you miss that point? It should test our knowledge; why do the sorcerers curse us? block up one's life? Stops progress? **THE QUESTION ON EVERYONE'S LIP SHOULD BE HOW DO I REVERSE CURSES IN MY OWN LIFE?** Wisely study the bible, we need to understand it better. **IT SHOWS THAT HUMANS ACROSS THE WORLD ARE ENDURING THE SAME KINDS OF SUFFERING.**

Words are powerful, carry very strong impact. Satan pushes Job cursing God's work, imprecating evils on himself. Following that line of thinking who have we cursed? Before talking of reversal of curses. We need the Holy Spirit's help. Having said that it is important to have trusting, loyal supporters stay close enough and pray we do not put curses upon our self. Job curse the time, day, month, year, entire lifetime, time of his birth to death. Who gives us authority to curse what God create? Everything at Creation He created very good.

## DEPRESSION IS DEEP PHYSICAL PAIN

(Job 3:11-13) Why didn't I die at birth, or come from the womb without breath? Why the knees that received me, why the breasts that suckled me? For then I should have lain down asleep and been at rest.

**Do you generally feel you have no reason to live? Knows someone who feels that way?** Find a doctor, specifically a psychologist. Job is sharing his own thoughts in one's mind who is depressed. **Without the right help it will lead to death. See Satan's evils?** Pushing Job to kill himself; is not natural death.

Yes, our mouth is to glorify God because he has power to bring the darkness, death. Alarming but king Solomon spoke like this (Eccles. 6:3-5; 9:10; 7:21; 10:20). Interestingly, the scriptures show children are very important to continue earth's population. That Rebekah told her husband have children with my handmaid on my behalf (Gen. 30:3).

Friends, family, preachers were powerless. People die. Kings who had large wealth die anyway. Possessions went too, and as soon as royals die—they are brought to levels with those who never had. Bear in mind those who die doing wickedness is hopeless, judgment, and, hell awaits them. Above all, a true believer sent by God to rest from this wicked world, the grave can be a good place, because the body finally get its relief.

## SUICIDAL THOUGHTS

(Job 3:20-24) Why is light given to the miserable, and life to the embittered? To those who long for death more than for hidden treasure? They rejoice at the sight, of their end, they are happy upon reaching the grave. Why give light to a man whose path has vanished, whose ways God blocks at every side?

**R**ead suicidal thoughts—Job asks why am I living? If life has to be embittered. The truth. In other words, grasp the deeper meaning, he is angry, sad, full of hate; rightly so, about something because of all the bad, unfair things that happened to him. It is likely that a person suffering will be embittered longs for death. If not for God's grace, enough faith to prevent him harming himself. He would. We all need better human support, genuine help. Speaking in that typical manner is because the trial and pain appears greater than one can bear.

Why curse the days, that God blessed us to increase, plentifully and prosper all the days of one's life? Job is not the only suicidal person in the Holy bible speaking like a psychotic fanatic. Feeling he has rights to speak that way. Sad, if only He knew Satan's blows are relentlessly striking him! Learn that when someone is grieving give them room. He or she needs to vent because of their suffering. Similarly (Compare Jere. 20:15) A God-fearing prophet very great man, had strong faith, but prayed an exact suicidal prayer.

**M**any, years later doctors hold the view behind numerous breakdowns, emotional confusion; clinical mental disorders—lies the sense of guilt. It is sad how badly we are treating people very depressed or suicidal. Please take off stigma, move it, big mouth zip it! Problems are real. No unsympathetic words near mental health people. Go, walk in their shoes. See, how long you survive?

## What Is Faith Doing For You?

His opinion is (vv. 20-21) "Why is light given to those in misery and life bitter." These words depict for us a deeply distressed man. That Satan sent other humans to make life very hopeless. (1 Sam 1: 10-28) we find a woman, name Hannah deeply distressed. Her husband, the priest, no one could comfort her only God. Friends, you do not have to worry, call on God.

Only for God why more people not suicidal yourself. However, do not get any ideas I do not think like Job. Our God, the eternal Father, uniquely cares, support, confirm, establish and has revealed to me Satan is making me suffer. As for Job he is absolutely entitled to his moods. Respect him. Truly, he had enough faith in God to prevent him taking his own life.

**We need to explain he will not kill himself**—much more important he does not need people around him speaking negativity in his life, talkative, making light of his pain that Satan is using to oppress him more than he is already feeling.

**WHY DO PEOPLE LONG FOR DEATH?**

These are the words of Job (**Job 3:23**) Why is light given to a man whose way is hid, and whom God hath hedged in? Compare (Job 19:8) (**Satan is making Job think suicidal thoughts**).

**O**ne reason to be wishing death is connected to fear and bitterness in their soul. Job says in chapter 19:8 "He has blocked my way to prevent me from passing; he has shrouded my path and made it dark. Other passages to reference are (1 Samuel 1:10; 2 Kings 4:27; Proverbs 31:6) see Revelations 9:6). **This is negative thoughts that God is the one doing you evil and wicked**

Interesting, because it gives a good example of the bitter soul—a glimpse what happens to Job's mind. Pain, anguish, much agony pushes him to not eat. (**Job 3:24**) "Instead of bread I feed on sighs. My groans are like water poured out." Relatable for many others, King David said, human suffers in the interim, "While the wicked say all day long where is your God?"

Similarly, to what we see, when some people face, too much hardship, they turn to bitterness. Bitter pain, inside of us imprisons one's heart, paralyze it, which is making good individuals have difficulty to genuinely love others.

**Overcome Anxiety With Prayers?**

(**Job 3:25**) For what I fear has come upon, what I dread has befallen me.

Anxiety, pain in the depth of one's soul make us pray inappropriately.

However, on the other hand, see Hannah's prayer. (1 Sam 1:10-28).

Bizarrely, this is how Satan uses other humans tease, irritate, making counterparts very sad and refuses food. All this is the real raw emotions! Deal with it. If you do not want to listen to the man. Get out of his way. Pray, he will come around to a place in the future and go to His God for answers.

**Every day and you is uniquely blessed**

An effective Satanic strategy; to struck an upright and blameless man until instead of doing what is right, he arises against what God blessed and began cursing them. Observe that evil acts result in a dejected heart. That is how easy Satan pushes humans over the edge to turn on God because of personal failures, lack of success. Evil spirits pushing until individuals lose vitality and become suicidal!!

**WHAT DID JOB FEAR THE MOST?**

(Job 1:5) He was very worried something bad would happen if when his children hold their yearly banquets in their homes to dine and drink, they might sin and blaspheme God in their heart.

**FEAR OF SIN**

Fear of sin, blasphemy and its penalty made Job arise early and sacrifice to God that the children would not die. the bible mentions specifically that sin is evil and like a DOUBLE-EDGED sword which

inflicts deadly wounds past any remedy on its victim. Several bible PASSAGES WARNED us to run from sin as you would from a deadly poisonous snake which if you go near, it bites you and destroy human lives.

Even though there is more than one opinion. **That is good enough reason why Job fears the day his children sin in their heart they would die.** He was not willing to take the risks, do something stupid that is likely to cause problems: not doing anything about his children's sins is asking for trouble. Who knows was he thinking of potential sorrow, if they die, it may lead to his death? Perhaps so, since when they DIED, he began to curse and asked to die also.

**HIS HEART LOST VITALITY THE WILL TO LIVE, SORROW WAS INTOLERABLE TO HIM. A FEELING HE IS ENTITLED TO. ALTHOUGH IT DOES NO GOOD TO THE DEAD, THEY ARE ALREADY DEAD. YOU ONLY HARM YOURSELF. HOWEVER, WHEN SOMEONE IS CRYING, THEY ARE REALLY CRYING AGAINST THE ONE WHO CAUSE THEM PAIN. AND THEIR TEARS REACH TO HEAVEN.**

**COMPARE THE LEVEL OF HIS FEAR IN (JOB 31:23-28)** IT IS an extreme fear, terror of God. Mention plainly in his own word. "For I feared God sent calamity and how could I stand in his presence? If I have put my trust in gold or have sought my security from it...)"

These end the words of (**Job 3:26**) I was not in safety, neither had I rest, neither was I quiet; yet trouble came.

## Troubles and trouble-makers in our life

With all certainty I can say Job expects when his religious friends arrived, he will be strengthened. He imagines them bringing a word from God to help him understand what is happening. Not a chance!

Scriptures teach that People's houses will be desolate with death (Matt 23:28). It gives us real life experiences, gained from the experiences of others. Which is for teaching each of us our role to play and weather the storms. Plan for the future to be able to rise and meet sudden challenges coming from one's enemy.

The final analysis from chapter three is there are real troubles in the world. No one is immune from failures or lack of successes. The English word **"trouble"** indicates problems that make something difficult, make you change your plans, make you worry and so on. That is right. Trouble started in the Garden of Eden when Eve sinned.

**A**ll of us, as the world goes on will find much trouble without making any trouble our self. Problems in the world is going to make you feel worried. Job said it "I was not in safety, neither had I rest, neither was I quiet; yet trouble came." Each human will get into difficult or dangerous situation in which someone in authority is angry with you, most likely punish you. Satan has a history of doing that to human beings. Job and the three friends are the example.

## Humans do not have trouble-free lives.

*MANY PEOPLE TODAY SIN FOR LOVE OF GAIN, BECAUSE THEY DESIRE RICHES, THEY SILENCE THEIR CONSCIENCE. SIN WEDGES ITSELF BETWEEN THEIR HEART AND THE LAWS OF GOD. THIEVES ASSOCIATING WITH THEIR OWN KIND THOSE WHO ARE UNFAITHFUL TO GOD, FAMILY, COMMUNITY AND COUNTRY. NOT SO FOR JOB THIS WAS A BLAMELESS MAN GRIEVING, CANNOT BE CONSOLED. HENCE, HE IS EXPOSED TO HIS FRIEND'S CRITICISM.*

**(MENTAL HEALTH FACTS AND QUOTES IS PROVIDED LAST PAGE OF DOCUMENT)**

### Two contrasting views

**T**wo contrasting thoughts, about Job

1. His anguish is making him angry, and the other
2. It appears he is not a humble man.

It is fitting to praise God for all His works and special care for us.

God rebuke Job chapter 32:2, "Who is this that obscures divine plans with ignorant words? Now prepare yourself and I will question you, and you shall answer me. Where were you when I laid the foundation of the earth? Tell me if you have understanding? Who determined its measurements?"

### DO NOT INSULT GOD

No doubt each of us has to put an amount of effort in what we say. And time that is needed to maintain right discernment of God. It's a terrible thing to insult God. A very good example can be seen with, God asking Job, hey do you know everything? Who is

this that darkens counsels by words without knowledge (38:2-7)? Job answered truthfully, and true, he answers ashamedly. No. The question is not just for Job and his friend Eliphaz. God is talking to us. That means it is good for us to realize we clearly do not know everything and that we need to go back to God and learn what we need. This is why he wrote the bible. Let him give truth to be able to have better understanding of things we cannot comprehend.

Be humble. True humility shows that we do not know the mind of God; being humble will keep ugly pride from binding, crushing and making us suffer much longer than necessary. Ask the all mighty God to guide your step in learning the truth. No one must say to God what is this? Since evil intention sprung and covered the earth with deceits from creation.

## THE JOY OF KNOWING

The answers for why wicked things happen to good people lies with God. Everything is created for a purpose God gives them life. If something is troubling you do not rely on human for advice about unrevealed things from God. From beginning good things have been created for good people, likewise evil things for the wicked.

Every believer knows this is the truth. God gives us wisdom to discern when something is either ways. And it is most necessary for all human to know and obey the commandments of God.

## REVERSAL OF SPOKEN SORCERY (OCCULT) CURSES

Curses can be present in one's life because they have been passed down from past generations or because our own sin attracts them. On the other hand, here interestingly Job's naivety pushes him to help Satan—Job is the one speaking like a sorcerer cursing his own destinies.

### HOW TO EFFECTIVELY REVERSE CURSES

#### An interesting narrative what is it really about?

(Job 3:4-10) "May the shadow of death claim it as its own. May a cloud settle over it; may blackness obstruct its light. Let it not be included in the month. That night—oh, let it be barren, untouched by shouts of joy; Let it be cursed by those who hate the light, SORCERERS who call on the devil. Let its morning stars no longer shine; let it wait for light in vain and never see the first rays of dawn, since it did close the womb to keep my eyes from seeing doom" First, the deal is; God inspires us to bless everything. Celebrate your work. Look at Creation and you quickly notice he blessed everything. Oh, how truly blessed we were! Another very good example is this; from the beginning in Genesis He would stop and celebrate his work. Our Father likes celebrations in multiply ways that he gave us seven special Feasts Days, unique to have celebrations.

Let us all pray together. First thing first, if you have not celebrated God's gift the Lamb Yeshua sent to redeem us from sin. Say I thank you; Lord Yeshua. I believe that you are the son of God, and the only way to God. You died on the stake, for mankind's sin and arose from the dead. The word of God tells me that if I give up my rebellion, confess my sin \_\_\_\_\_ which I committed you will grant forgiveness. And especially of sins of my ancestors. I repent of iniquity. Please release me from all consequences. The same way that I want your forgiveness I forgive everyone that harm me. \_\_\_\_\_ I choose to forgive, release you; of debt you owe me in words of respect, honor or deeds. In finances or any other means. God bless you. I

release, break loose, separate your soul from mine in Yeshua, name. Soul go back to \_\_\_\_\_. Amen

Ponder back in your mind on all the evil words you spoke and others spoke to curse you. **(Prayer)**

**Thank you, Yeshua you forgave all our sins. Blotting out the handwriting of ordinances, you have cancelled out debts, the regulations which accused us. Did away with all that and nailed it to the cross. Victorious through the cross, you stripped the rulers and authorities of their power, humbled them before the eyes of the whole world, and dragged them behind you as prisoners (Col. 2:13-14).**

Our Father thank you that You have blessed the day I was born and the night which whispered: A (boy) or (girl) has been conceived. Thank you that day is full of light. Thanks for always remembering it. Thank you for shining brilliant light on it that no shadow can come nigh it. Thank you, no cloud will settle over it. I break every word curse spoken over my birth, time, day, week, month, year, generation from birth to completion of God's purpose for my life. **No blackness will obstruct the light of my days.**

Father, thank you for saving that night. Anything tries to swallow it disgorge my blessing and swallow every curse spoken over my life now. Thank you, for, making my life fruitful touched by shouts of joy. I arise, in the name of Yeshua, take my place in the third Heaven by Your side. In the power of Yeshua's blood, in the might of the Holy Spirit, I stand up against the powers of the enemy's words. Father let your word become hammer in my mouth. Let the shadow of death be remove from my life now. I send the word of God and remove all cloud sent to be settling over my life. I destroy in the name of Yeshua every curse. Father let my days be included in your calendar. Our Elohim silence perpetually forever all sorcerers calling on the devil speaking, cursing; against my day, week, month, year, generation. Oh, morning stars shine, arise and give light to the earth. You will not wait in vain for light. I nail the curse of waiting from the day of my birth back to the Cross of Yeshau at calvary.

**(Job 3:11-12)** Why didn't I die at birth, or come from the womb without breath? Why the knees that received me, why the breasts that suckled me?

**(Prayer)** Say your name \_\_\_\_\_ arise and see the first rays of dawn. Our Father, let the sorcerers bless my days and not be able to speak one curse over me. Thank you that the morning stars shine brilliantly on my days. Thank you I see the first rays of the dawn. Thank you I was not stillborn. Elohim, thank you for not closing the womb that carry me. YHVH, LORD of the Heavens and the earth build me up. Bless the knees that received me. Bless the breasts that suckled me. Bless the womb. In Yeshua's name, blessed be God You keep me alive. Father, I honor, and love you. I faithfully refuse to accept the idea am cursed. I rejoice at Your faithfulness to me. You have made me live till now. Faithful will you be to fulfill the purpose You created me to skillful achieve.

**(Job 3:13-15)** For then I should have been at rest with kings and rulers of the earth who built for themselves lonely tombs; or with princes who had gold to spare houses stuffed with silver.

**(prayer)** In the name of Adonai, I will stand up with kings and rulers of the earth and build for myself palaces with princes who have gold to spare and house stuff with silver.

**(Job 3:16-18)** Why was I not stillborn, like others who did not see the light of morn? There, the trouble, the weary repose. There the prisoners are at ease; no longer hear the taskmaster's voice.

**(Prayer)** Adonai, thank you, for life, "it is written I will not die but live and proclaim what the LORD has done (Psalms 118:17). I will not be a prisoner, or a slave to sin. Great and small shall be delivered from your bondages Satan.

**(Job 3:20-24)** Why is light given to the miserable, and life to the embittered? To those who long for death more than for hidden treasure. "Instead of bread I feed on sighs. My groans are like water poured out." **(Prayer)**

Adonai, thanks for light and that there will be no more miserable days. I refuse to be embittered. The Lord Yeshua rebuke thee Satan. I celebrate life. I

long for life, eternal life with Jesus more than hidden treasures. I rejoice, am happy, will reach my goals. Thank you for lighting my path and for provisions. I will eat bread and feed my body in the name of Yeshua. It is God's intention to bless us eternally.

**(Job 3:25-26)** For what I fear has come upon, what I dread has befallen me. I find rest, I find no ease; only turmoil, nothing of peace." **(Prayer)**

Father, please cleanse me of presumptuous sin that no iniquity be found in me. Help me to obey Your voice and observe Your laws, that no curse will come upon me. Your word in (Jeremiah 29) says, Your plan for me is good and not evil, to give me a hope and a future. Satan is working all year round to stop us from achieving God-given destinies. Please do not let what I fear come upon me, let not what I dread befalls me. Please do not let my life be trifling, let it not be of little account and let no one trample upon me. Let me not be slighted. Have mercy on me, spare me from What Yeshua (Jesus) Savior of the world says, "In this world ye shall have tribulation (John 16:33). Save me My Father, keep us safe. From the wrath of Satan. Help us to form relationships with people who will treat us with respect. People that will speak the right word into our destinies. That we will achieve the purpose as we warn and teach others of your love and faithfulness. Bless everyone with true wisdom, make all humans perfect in Your Son, Messiah, the savior of the world. Put your Spirit powerfully at work in us to be faithful to you.

Oh God, break the bow of the mighty. Let Satan and his agents share the cruelty and affliction. Let them speak proudly no more. No more arrogance from them. Everlasting God, let them detest each other, bring them down to the grave, now.

But turn to us and help us escape Satan's force that wants to bind and make us dust and ashes. He has blasphemed You. Punish him for blasphemy. He is jealous of humans. Strike him and those cursing your people who desire to worship you. Crush the oppressors by your force. Father you are our hope.

## GOD'S PURPOSE FOR YOU

YHVH has spoken, he who formed me in the womb to be his servant, to bring Jacob back to him, to gather Israel to him. He said: It is not enough that you be my servant, to restore the tribes of Jacob to bring back the remnant of Israel. I will make you the light of the nations, that my salvation will reach to the end of the earth. Thus says YHVH, the Redeemer and Holy One of Israel to him whom people despise, to him whom nations abhor, to the servants of tyrants: kings will see you and stand up and princess will bow down for the sake of Yahweh, the faithful one, the Holy One of Israel who has chosen you. This what YHVH says: At a favorable time, I have answered you, on the day of salvation I have been your help; I have formed you and made you to be my Covenant with the people. You will restore the land, and allot its abandoned farms. You will say to the captives: Come out; and to those in darkness; Show yourselves. God is coming to take from our hand (your hand) the cup of trembling; the cup of anger—you will drink it no more. But I will put it into the hands of your tormentors, those who ordered you to bow down, that they may trample on you, while you laid your body as the pavement, as a street for them to walk on. Amen. In Yeshua's name

### **A prayer for the depressed families of the earth**

**(Psalm 62)** My soul finds rest in God alone; from him comes my salvation. He alone is my rock and salvation. With him as my stronghold, I shall not be overcome. How long will you assail with your threats, all of you, to bring someone down as you would pull a wall or smash a fence? Indeed they plan to topple me. They take pleasure in telling lies; with their mouth they praise, but in their heart they curse. Selah

Find rest in God alone, O my soul; from him, comes my hope. He alone, is my rock and my salvation; with him as my stronghold, I shall not be overcome.

On God, rest my salvation and my honor; he is my refuge, my might rock. Trust in him at all times, my people; pour out your hearts before him; God is our refuge.

People of low rank are only a breath, important people, merely an illusion. If weighed together they are nothing, even lighter than a puff of wind. Do not set your heart and extortion, nor your hopes upon corrupt gain. Even if wealth accumulates, keep your heart detached. (Power belongs to God and mercy.)

## DEDICATED TO THE DEPRESSED

Do you trust God to care for you in your suffering? Can you wait on Him?

From the very first generations there have been stories about the suffering of humans and the flight from one region to the next region running from evil. A people looking for safety.

In the book of Job, we see our own life. God uses it to show how Job lived and what he had undergone. Job was rejected by family and, friends, men ministering the word of God with him. On the other hand, in the sight of God, Job was chosen, precious, blameless, being built up spiritually to be a holy man of God. In this way he fulfilled it is natural for us to encounter malicious occurrences as we search for good.

This lesson is good for all times. Job offer sacrifices acceptable to God for himself, family and friends through his suffering and obedience, dedication, trust in the Eternal Father (Job 42). In a way Job lived what had already been lived, by all the older generations—journeying, searching for the happy life, seeking for success, rejoicing when it is found and uses it to bless others in their grieving. Job one day finds real troubles; equal suffering instead of rejoicing, grieving unconsolably.

Surely everything has a beginning and end. Job was firm, never gave up! His continual communication with God and the friends, is the basis in the end God reward and restored him.

YHVH BLESS YOU MAY HE TURN  
HIS FACE BACK TO YOU AND  
BLESS YOU WITH HIS PEACE!!!!

## WHAT IS THE HISTORY of false gods?

PRAY PSALM 82

PRAY JEREMIAH 10, TELL THEM THE GODS, WHO DID NOT MAKE THE HEAVENS AND THE EARTH WILL PERISH FROM THE EARTH AND FROM UNDER THE HEAVENS. BUT GOD MADE THE EARTH BY HIS POWER; HE FOUNDED THE WORLD BY HIS WISDOM AND STRETCHED OUT THE HEAVENS BY HIS UNDERSTANDING.

Lift up your eyes, behold the deep darkness, **depression** across the world. We are back now, to the beginning where chaos and darkness covers the whole earth. Although, Yeshua received the full wrath (Because of the sins of the world) on our behalf when he was hanged on the stake. The bible history shows that he took all the curses upon himself, even so today the children of God are not living victoriously. And many do not understand the mystery. Look around and see how many persons are dealing with unseen forces as Job. Yet, every promise in the bible is ours.

(John 10:10) it is written, "The thief comes only to steal kill and destroy." Satan is a liar, thief, lawless, troublemaker. That is his job. And he is good at it. What is your job? (Romans 12:2) it is written, "Do not be conformed to this world, but be transformed by the renewing of your mind" (Galatians 3:3) Christ has redeemed us from the curse of the law, having become a curse for us (for it is written, "Cursed is everyone who hangs on a tree" Addition unless we are in an intimate relationship with God we cannot claim His promises. Furthermore, how will be able to stand up against evil!

**We were all created as stars to give light to the earth. Yet, how many persons in your family is suffering under oppression, defeat, discouraged?**
