## Welcome: Good And Evil Is Not At War With Each Other

## EVIL IS CALAMITY OR OUTBREAK OF DISEASES (JOHN 5:1-47)

### Everything Must Be studied For Its Purpose

Good and Evil in Genesis came about not as the way to get into heaven. But rather, it identifies unfavorable conditions that develops or is well on the way. And gives humans an opportunity to choose to be united and do good or allow further development which will potentially harm the whole world. It implies the arrival of a turning point, and decisive change taking place; between humans on the earth! When we make choices (Gen 1:1-31-3:1-17)

(Rev 16:13-21) "Unclean spirit come out of the mouth of the dragon and out of the mouth of the beast, and out of the mouth of the false prophet. For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty. (Please read your own bible notice good and evil is not at war).

- God sent Jesus to teach us good and evil signals approach of a potential crisis. And how to fix problems for the whole world at creation and in (Jn 1:1-5)
- Depiction of Good comes from God's mouth (Gen. 1-3)
- Depiction of evil comes from humans mouth (Rev. 16:13-21) because of evil spirits. Do you see that \_\_\_\_\_?
- Jesus adapts God's mannerism and models them not his own opinion, but agreeing with God and solving problems.

1. Introduction: **Your choices toward stopping the spiraling of evil crippling humanity**
2. A critical turning point, for humans, a choice to choose between to do good or sit back and allow evil to breakout an harm ourselves (Gen 1:1-31-3:1-17). What was God's purposeful perception to allow the serpent to (test, torment or terrorize) humans? Compare (**John chapter 5**), where John begins his account by putting a name to the face of evil diseases. And uses diseases and human lack, hunger and thirst and gives clarity how to bring evil suffering to a stopping point or limit. He also shows the emotions like grief and joy. Are you puzzled about your purposes? Puzzled about the evil outbreak of diseases?
2. (John 5:4-5) Who was it tormenting the people? The Bible tells us an angel trouble the water at a certain season. Why would an angel trouble the water? Think? Contrast these stories to beliefs in the world today.
  - a). A certain man was diseased for thirty eight years every time he try to get into the pool he failed
  - b). Number 38 is connected to destruction and man's repeated attempt to kill each other (see Ezekiel 38)
  - c). Israel's lack of faith and spying out land God told them to possess sets them back 38 years (Num 32:18-13).
  - d) Think long and hard. Israel travel in miseries 38 years they know what it feels like to suffer! right (Due 2:14)?
  - e) it is easy for us to ask how could they watch someone suffering for 38 years and do nothing. Isn't it?
3. What are the two noticeable evil in this passage (see Amos 5:14). What did the man answer Jesus about anyone to help him (John 5:7-8)? The difference between God and man is willingness to help.
4. From the answer Jesus gave the man who was ill v 14. What do you learned about your own relationships? What is the purpose God sent Jesus (see Isa 51:9; 54:10; Zec 12:10;) Jesus was more than willing to have his body be lacerated to save you. How does what Jesus do help you change your approach?
5. (John 5:16-20) A Remarkably important question: What stirs up humans to be hounding Jesus because he heal a man? Why are humans acting as an accuser because Jesus made a paralyzed man whole? The Bible describes a situation where people hunted him to be murdered. Humans try to obstruct Jesus' ministry. What drives murderers to leave a person lifeless? What mess up one's will overwhelm them to do evil?
- 6 Explain John 5:21 compare it to Deuteronomy 32:39 Hosea 6:2; Ruth 4:5
7. What did Jesus say about John (John 5:35)? See Psalm 132:16 and Daniel 12:3
8. Why God had to give his one and only son's lifeblood to save and protect humans. And now, Jesus say, "You do not want to come to me that you may have life (vs 42) You do not have the love of God in you (vs 42) How are you able to have faith when you receive glory from one another not from God?"

THIS WEEK'S LESSON JOHN 5:1-47

Good & Evil Relates To knowledge and Humans evil Actions (Gen.2-3)! The first lesson about Good and Evil in specific words God decided to inform us that evil came about by (Satan's) evil communication and He points out that human's willingness to lend one's self to actually do evil will cause death to spread throughout the earth. Which harm every humans. The strategy God put forward is that to conquer evil we must do good by providing whatsoever is necessary to: Rescue Humans from The Enemy Satan And His Human Terrorist Organizations?

(Rev 16:13-21) "Unclean spirit come out of the mouth of the dragon and out of the mouth of the beast, and out of the mouth of the false prophet. For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.

## WE, (ALL) HUMANS SEARCH THE HOLY BIBLE TO KNOW WHY IT WAS?

The teacher John, opens up his podium linking lessons back to the book of Genesis and pointing out the reasons for human suffering. He stresses on the differentiation between good and evil works. **(Genesis 3:1-17)** Evil is introduced to us as knowledge and a general sentiment to evil and combination of specific actions.

Good and Evil' was never meant to be a lesson or example for how we get to heaven. Good and Evil in Genesis helps us to identify how unfavorable conditions form, develop or one well on the way. The first reported disorder or situations gave humans the opportunity to learn, we must choose to be united; do good or allow a further development of evil which potentially harms the whole world. That is totality of evil = knowledge when mixed with human evil actions.

John put forward some cases of gross human suffering which gave the people witnessing the evil a chance to counter evil with good. He presents each case, as arrival of a turning point, and decisive change that takes place on the earth. To bring a series or sequence of action; between humans on the earth! When we make choices. It allows us to see that we humans face considerable risk and negotiations are critical. Your option is to do the right thing. 'For God shall bring every work into judgment, with every secret thing whether it be good or whether it be evil **(Ecclesiastes 12:14)**. Your work is an action (good or bad) activities. And the Bible says that you will be judged for your actions. Do you understand that?

We should study the Bible. To learn about actions and the actions results. God shows the two first people a man and woman in an unfavorable condition. One which signals the approach of a crisis. He explains their actions and the actions results when humans refuse to be united and work in unity to stop evil from advancing. Potentially and intensity and conditions always change the shape of future events and life of all generations of people not yet born awfully, spreading deaths, destruction, chaos and ruin. God allows a Serpent (being) to intentionally terrorize the first woman, at creation. It went far beyond, much more than a human should be asked to bear. It encourages Eve to modify the world. But it is her actions harmed the entire world. During their analysis the Bible shows that the man, filled a niche aiming to support his counterpart spreading evil throughout the entire world.

(John 5: 7) A sick man gave voice to his struggles, telling Yeshua (Jesus) I have no one to help me." This was the old report which is found in the New Testament writing of the Bible. There are older records. What change is in your neck of the woods?

We have long understood the defining characteristic separating humans from God is knowledge of evil and evil actions. When Adam and Eve came to a turning point and had a choice to do good or evil. Eve was terrorized by the serpent. They listen to lies, harmed themselves and the whole world. The primary question for you to answer is, how can today's humans allow our self to be used by terrorists? To be terrorizing each other beyond or in an unnatural terroristic manner? Why would anyone be still quicker to band together and do evil?

Who is the King of Terrors (Job 18:11-14)? (Job chapter 1-42) introduces us to Satan the (spirit being) receiving permission to (test, torment, terrorize) Job. But was it Satan? Or was it humans that torment or terrorize Job? Who did it? People just like you and me. Fell upon Job's servants and murdered them? Job's animals stolen. Who stole his animals? Guess? How hard is it to identify the differences between Good and Evil actions? Some evils are allowed in your own life. So what do you want to know? And to do?

With all evil conditions in the world, blame, disapproval! What is the most meaningful life's lesson you learn from being horrified about a doctor's terrible prognosis of a ferocious disease ravishing a human body? What do you learn seeing your fellowman terrorize unnaturally in inhumane ways? Why would you deal with another person in a vicious manner? Pitiless? If you follow the growth of mankind in scripture to do Good or Evil is a personal choice. You have a great opportunity each day to do good or to do harm to others.

On the other hand, Jesus brings us back to Creation of the Shabbat and explains the thought of God. And shows the dignity of humans' life. That no law no matter how holy it is; ought to be applied in a way that would oppress a person (please read Mark 3:3-4)! Jesus wants to rescue you, from the terrorist and terrorist organizations. Have you considered ways to share his love with humans? Next question, after all of the historical reports of evil! Why are terrorists and terrorist organizations receiving human help today? The Bible introduces the devil as a tormentor. A serpent. Barbarous and sadistic.

## PERIODS OF TEST

John takes us back to Genesis where a series of “first” began taking shape in the earth in physical form.

1. (Genesis 2:15-17) Humans period of testing starts. Next test. Adam and Eve test with good and evil.
2. (Deuteronomy 8:2) “Remember how the Lord your God led you all the way in the wilderness these forty years to humble and test you in order to know what was in your heart.” An entire nation of people Israel’s test.

John presents Yeshua (Jesus) to us as the one, who gives knowledge about the entirety of the universe and how to fulfil one’s destiny.

(John 5:39) reads, “You study the Scriptures diligently because you think that in them you have eternal life. These are the very scriptures that testify about me.”

Jesus is explaining that the same as you study any other text for learning, how to have a good life. It is the Holy Bible that provides all the knowledge we need to learn how to be like Jesus and do good works.

# WELCOME: To Your Choice Toward Stopping Evil Spiraling And Crippling Humans

**1. Humans critical turning point, a choice to choose between to do good or sit back and allow evil to breakout an harm ourselves (Gen 1:1-31-3:1-17). What was God's purposeful perception to allow the serpent to (test, torment or terrorize) humans? Compare (John chapter 5), the apostle begins his account by putting a name to the face of evil diseases. And gives clarity how to bring evil to a stopping point or limit. Are you puzzled about your purposes? Puzzled about the evil outbreak of diseases?**

**(John 5:1-4) After this there was a feast of the Jews; and Jesus went up to Jerusalem. Now there in Jerusalem by the sheep market a pool, which is called in the Hebrew tongue Bethesda, having five porches. In these lay a great multitude of invalids—blind, lame, and paralyzed. One man was there who had been an invalid for thirty-eight years. When Jesus saw him lying there and knew that he had already been there a long time, he said to him, “Do you want to be healed?” (ESV). (John 5:4) For an angel went down at a certain season into the pool, and troubled the water; whosoever stepped in was made whole of whatsoever disease he had.” (KJV)**

**Orthodox Jewish Bible, John 5:4 “For a malach Hashem from time to time descended into the berekhah (pool) and agitated the mayim, therefore, he who entered first after the agitation of the mayim, became whole, whatever choli (disease, sickness) he was held by.]**

## Jesus saw a lot of:

1. Invalids
2. Blind
3. Lame
4. Paralyzed
5. One man was there who had been an invalid thirty-eight years.

Two very important questions to be answered. First, why would an angel be sent to (trouble or agitated) the water at a certain season? Second, what action was the angel trying to extract from the abled body people? Or from those who were previously held bound by sickness? According to patterns, God allows his angels to test humans action. God wants to see what you will do. Angels, demon, humans create agitating conditions in which humans gets to make decisions. What would you do if an angel is agitating the water and you receives your healing? When you are healed. Would you wait around and try to help others? Slide back for a moment what are you doing to fix the problems in your own life? Your home? Community? Nation? World? The bible tells us 'For God shall bring every work into judgment, with every secret thing whether it be good or whether it be evil (Ecclesiastes 12:14).

Your work is an action (good or bad) activities. And the Bible says that you will be judged for your actions. Do you understand that? You would think perhaps by now more people would be asking how can we stop this evil? How do we put a limit on how much distress one man should endure? Why not one person says this is the limit? How can we help him snap out of this oppression? Bondage? Who asked him do you need my help? The passage in John 5, is an image of our world today of the sicknesses that bound individuals. The types of sicknesses. Frustrations between people and the evil behaviors. So do we ask how can we help the sick in our midst?

At a critical turning point, one in which we humans make a choice between to do good or sit back and allow evil to breakout and harm ourselves began (Gen 1:1-31-3:1-17-John chapter 5 is the passage of our discussions but we are taking a look back at histories)

### A Strong Amount Of Invalids, Blind, Paralyzed Males And Females Throughout The Whole World Today

When John 5:4 says an angel was agitating the water. This suggests that the action, is disturbing humans by causing mental discomfort of varying intensity. Perhaps some people had minor disturbances, but one man was provoked for 38 years. What did the other people present do to stop that one man from being troubled? What distinct action would be useful?

#### **YESHUA (JESUS) DID NOT COME TEACHING A DIFFERENT OPINION HE GAVE US THE BEST APPROACHES**

Yeshua's actions are showing us how humans should live and work together; so each person fulfill purpose. The original plan of God is that each human would be put through tests. Each of us must face unfavorable conditions. You want to be healed first. Then when you see others in chaos or being tortured by Satan (Gen 3:1-27). You fix the problem under your nose. By working to stop the spread of evil whether it is a sickness of the mind or physical. You should become united, (one in spirit) with the one in pain to counter evil until sick humans are whole.

### **What Was It And Why Was It — Two Ways The Tormentor Test Humans**

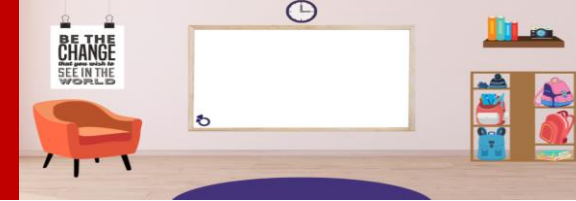

1. First pattern suggests, the tormentor wants something. Wants to extract something from the person who is (tested, tortured, agitated) or the (angel) wants a specific action from the people who are witnesses witnessing the activities.. Notice, here is an opportunity to help transform the life of someone suffering!
2. Second pattern, Satan ravish the human body for his own gain. Play games with one's mind. Can you stop him from making someone becoming less than what God created humans to be? God has made careful thought into the gifts he gave you. Have you use them?

The book of Genesis tells us God never wanted Adam to be alone. This involves the privilege of choosing to make a second human, an individual one gifted to help (Genesis 2:19) So YHWH, God said: It is not good for the man to be alone, I will make him a helper corresponding to him. This stresses the careful thought in making the woman. Contrast this verse with the rest of creation, God had already made a large variety of things. God said everything was very good. If something is not good it is the opposite of good. Having no option, of help, when Adam was alone, God fix Adam's problem. Which denotes with a helpmate Adam become whole. When Adam receives help from God Adam said this about Eve, this one is his own partner to be helping him. How did we rebel and be not wanting to help the way God wants us to do in the earth?

- The unusual style of John's writing links to the opening of Genesis! Where we find God speaking to the world and everything responding favorable. With the revelation (Genesis 1:3) of Yeshua (Jesus) as the Light of the world giving life to everything. Both the language in Genesis and actions of God throughout history reveals, but especially in John that God has always had to act as protector and a shield to keep us alive.
- Indeed John point out the pattern God gave Adam and Eve, in Genesis is, for humans to progress the primary focuses are to have people collectively act upon shared ideas and in love make the right decisions beneficial to the whole world. Both Genesis and John unfolds that humans were (annoyed, agitated, irritated) by the action of Satan. In Genesis to show us the craftiness of Satan God took a step back. Watched a serpent (tested, tormented, troubled, agitated) Eve. No one came to help her. When help came they both did evil. Fails to do right by each other.
- The primary question is, do you know if an angel is agitating you? Someone you know? What behaviors does it wants to extract from you?
- What are some problems why humans work hard and cannot be satisfied? Why are there so much grief? In the book of Matthew Jesus simple adapts God's mannerism and follow the instructions. (Mat 4:24) tells us these were Jesus' action. "And his fame went throughout all Syria, and people brought to him all sick people that were taken with divers diseases and **torments** and those which were **possessed with devils** and those which were lunatic, and those that had the palsy, **and he healed them.**" Jesus uses the same patterns of God to care for people. Jesus mimics God's mannerism at Creation. When he transform what was empty into a full world. With everything very good.

**1b. What was God's purposeful perception to allow the serpent to torment or test humans? In John chapter 5, the apostle begins his account by putting a name to the face of evil diseases. And behaviors associated with evil. Are you puzzled about your purposes? Do you feel held down? Puzzled about the evil outbreak of diseases?**

**Everyone has a specific call.** The key principle is get to know God personally for one's self. Read His book. Talk to God and listen to Him. Ask yourself, then why aren't majority of people in the world living and experiencing a joyful type of life? Relationship?

**God provided everything in the world and the rules how humans should function in the earth**

**☐ God has shown us what a satisfying and healthy life consists of:**

- a. Education (how to do or acquire something in life) **Go and read Genesis 1-2**
- b. Developing a business or becoming professional at your task and enjoying the results (Go read Gen 1:1-27)
- c. Someone close to share life with (animal and human) Go read Genesis 1-2
- d. Helping those in need and caring for the earth (**Go and read Genesis 1:26 and 2:18**)
- e. A family (Go and read Genesis 3-4)

**PRAY WITH ME:** We give thanks to God and our Lord Yeshua (Jesus) our living hope for your redeeming wonders and the mighty deeds by which humans are saved from the tyrants in the invisible worlds. In the days of Adam and Even Satan led them away from your instructions. Away from you and your love. You came to their rescue but because of their disobedience to you, now we live in deceits, struggles and constant quarrels and murder. By the power of your Holy Spirit help us to be dedicated and to love you and accept Yeshua (Jesus) as our only savior to truly love each other and ourselves.

**(John 5:1-4)** After this there was a feast of the Jews; and Jesus went up to Jerusalem. Now there in Jerusalem by the sheep market a pool, which is called in the Hebrew tongue Bethesda, having five porches. In these lay a great multitude of invalids—blind, lame, and paralyzed. One man was there who had been an invalid for thirty-eight years. When Jesus saw him lying there and knew that he had already been there a long time, he said to him, **“Do you want to be healed?” (ESV).** **(John 5:4) For an angel went down at a certain season into the pool, and troubled the water; whosoever stepped in was made whole of whatsoever disease he had.” (KJV)**

Let us repeat that in John's unique style of writing he links back to (Genesis) the earliest sign of calamity attributed to the serpent (devil, evil spirit) arousing uncontrollable feelings in those two humans; producing erratic and unexplained sicknesses (mental disturbances and behaviors harmful to each other (Gen.3:1-17). Those two people brought about changes in social, economic and cultural life! After they sinned and debased each other, by quarrelling, pointing the finger at the next person without enough effort towards real solutions. What did God do to them? The Bible paints a complete picture of major confusion, division, threats and murders. As such the best course is to isolate individuals female and male and their specific behaviors. Try to determine the source of some historical problems and the ones facing us today. **The primary question for all of us, one that is very necessary is: Am I a string-puppet in Satan's schemes to murder humanity?**

Those two first people first-born grow up and murdered his own brother because of resentful thoughts in his mind (Genesis 4:1-12).

You are not the only one who struggles with explosive jealousy (see Num. 5:14). You are not the only one being vexed—dealing with continuous lying (1 Kings 22:1-23). Do you think you are the only one who is obsessed with vengeance (Judges 9:23)?

You are not the only one experiencing demonic mental confusion (1 Sam 16:14). Not the only one who had to deal with downgraded status. Get it? Don't ever think you are the only one who can't stop worshipping idol or demons (Hos 4:12). But what can you do to stop it? Some of the above sicknesses are allowed in your own life. What can you do to fix some of the problems in the world? In your neck of the woods? Asking what line is crossed why people became diseased. You want to know the foundation of our problems. But how do we fix it? People are irritated by each other. Angry and provoke. Reflect on how you are treating the people in your own life today. Are you behaving in a terroristic manner toward anyone?

## 2. A Direct Quote From The Hebrew Bible

John 5:4 [For a malach Hashem from time to time descended into the berekhah (pool) and agitated the mayim; therefore, he who entered first after the agitation of the mayim, become whole, whatever choli (disease, sickness) he was held by.] Orthodox Jewish Bible

John 5:4 “For a messenger was going down at a certain time into the pool and was stirring the water. Whoever stepped in first, then, after the stirring of the water, became well of whatever disease he had.” (The Scriptures)

### REFLECTIVE QUESTIONS

1. What was the impact of these sick people on the community? How many people were depressed? The Bible says there “lay a great multitude of invalids.” How many were feeling hopeless? What was preventing the other people from doing something to help the paralyzed man who was there for thirty eight years? What could be God’s purposeful perception to allow an angel troubling the water? Is this an abnormal pattern? What was the angel there to extract from people? God commanded humans to care for each other (Genesis 2:15 )? What troubled Eve? Most importantly, what would stir humans, agitated those people in the Bible to harass the Lord Yeshua? The first statement is the people speaks against Yeshua. Second they plotted how to harm him. Why do humans join together to harm each other? The primary question is, why was there no helper to help this paralyzed man? And last but not least not one person at the pool of Bethesda became abhorrent to the tormenting of a person who is held captive? How many of us are guilty of unwilling to be helpful? How does that behavior conforms to the plan of God for humanity?

Why does the Bible tells us an angel trouble the water at a certain season (John 5:4)? Pause and think for yourself. Why would an angel trouble the water? Think? Contrast these stories to beliefs in the world today. What conditions do you witness? Is there someone perishing and terrorized in your midst? Is your neighbor being troubled by a spiritual condition? Physical or other? What are the changes you have implement?

- In John chapter 5, an angel had responsibility to agitate the water. Two primary questions. Of all the humans present, and looking on at an action that is disturbing one man’s mind causing mental discomfort to varying intensity not cared enough to help him? No one recognized that the man was oppressed? Not one of those who were previously agitated and suffered but later was healed remembered what it feels like to be held down? DO YOU FORGET YOUR TURNING POINT? Do you forget that God sent someone to help you get over your hump?
- The other questions are. Do you not know how to be a cooperater with the word of God? And help others as if you did it for God?
- These are all our problems in the world today. Where people, choose to not remember being helpless. When you triumph do you refuse to turn and help someone else at some point in your life to be healed? You can’t remember what it feels like waiting for assistance to be finally set free from your miseries? Do you no longer have a mental image of longing for a new life? Did you not yearn for or desires a new journey in your own life?

▪ Notice that the paralyzed man was held down by a disease.

Thirty-eight years it took with many turning point presents itself. So ask yourself, why was Jesus' approach to scriptures exactly according to the way it is written (John5:36)?

And the purposes! Why would Jesus adapt God’s mannerism?

He disregard the methodology and practice of man and kept to the understanding and truth of scriptures. Why? Why do good?

Who benefited from Jesus’ action? Meanwhile, man acknowledge and accepts handed down traditions above the Holy Bible.

We need to pause, let us question our own motive before you take action.

### PATTERNS

How many persons have you sit back and watched them be dissected and destroy? While it was in your power to genuinely help. I am not speaking of helping yourself by exploiting them while you enrich yourself.

## THESE ARE THE SUCCESSIVE STEPS OF TERRORIZING A HUMAN FAR BEYOND WHAT HE SHOULD BE ASKED TO BEAR

**YOU DID IT!**

**Why is it so difficult to do good?** Good and Evil in Genesis came about not as the way to get into heaven. But rather, it identifies unfavorable conditions that develops or is well on the way. And gives humans an opportunity to choose to be united and do good or allow further development which will potentially harm the whole world. The primary question is, why do people need to be tormented to extract from us what should be natural to do and advance in our lives? This is the Bible's explanation of one way of tormenting a person.

### **SOME WAYS A TORMENTOR IS ALLOWED TO TORMENT HUMANS**

**(Matthew 18:34)** the Bible describes a man who was handed over to the tormentor until he paid in full all the debts he owe. The practice here is not describing a disease eating away one's flesh. But rather financially, the debt collector pick apart the victim's life and search for any remaining assets until the person is totally destroyed.

- ❑ In what ways is the action of the debt collector picking away at a person until he or she is ruined different from the physical destruction of a life? Do we know when enough is enough? What is making it unclear so that the feature of helping cannot be distinguished? What is keeping people confused? Is it distraction and personal thoughts that blurs our understanding for God's will and his normal order for our life? Do you know when you are refusing to accept God's authority?
- ❑ Practical solution: God says He does not give any of us more than we can bear. **(1 Cor. 10:11-13)** These things happened to them as an example, and they were written as a warning, for us, as the last times come upon us...No temptation has seized you beyond what people normally experience, and God can be trusted not to allow you to be tempted beyond what you can bear." So why are people breaking down; committing suicide? This does not only mean that God is watching to see what we do to help those needing help. But God is taking note in what ways we humans are contributing and prolonging the suffering of your counterparts.

### **A Certain Man Was Diseased For Thirty Eight Years Every Time He Try To Get Into The Pool He Failed**

- a). **Number 38 is connected to destruction because of sins and man's repeated attempt to kill each other (see Ezekiel 38)**
- b). **A descendant of Israel's lack of faith, spying out land God told them to possess sets them back 38 years (Num 32:18-13).**
- c) **Think long and hard. Israel travel in miseries 38 years they know what it feels like to suffer! right (Due 2:14)?**
- d) **it is easy for us to ask how could they watch someone suffering for 38 years and do nothing. Isn't it? Impossibility of opposing or rejecting evil, can be involve in their life, because they have become inferior due to their thinking and behaviors. This will also be the case for us as well. Usually, when mankind adjoins one's self with evil lust demons—fear the gods and live by man's customs and do secret things that are not right according to the laws of God. These actions provokes God. Adonai typically will warn us to turn from our evil ways when we refuse to listen we will become worthless (2 Kings 17:15).**

# **Compare The Burden Of Trapped In The Wilderness 38 Years How Different Is It From Being Held By A Disease 38 Years?**

## **THE FORMAT AND THE PATTERNS OF DESTRUCTIONS IN THE LIFE OF HUMANS**

**The bible introduced Adam and Eve to the world as the first two humans. (Gen 2;18), reads, “and the Lord God said, it is not good that the man should be alone: I will make him an help meet for him. (Gen 2:23) and Adam said, this is now bone of my bones, and flesh of my flesh; she will be called woman...” (Gen 3:1-5) now the serpent was more subtil than any beast of the field which the LORD God made. And he said unto the woman, yea hath God said ye shall not eat of every tree of the garden? And the woman said unto the serpent, we may eat of the fruit of the trees of the garden but of the fruit of the tree which is in the midst of the garden, God hath said, ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto to the woman, ye shall not surely die, for God doth know that in the day ye eat thereof then your eyes shall be opened, and ye shall be as gods...(read Gen 3:1-17).**

**I read it. First pattern is, a spiritual being torments one’s mind in an unnatural way, and if the persons are weak they succumbed to the demon and do harm to themselves and the whole world.**

**The two first persons, failed because of: evil communication, lies, and a “helpless partnership” and unwillingness to do good. But agreeable in doing evil. Their action brings death into the world.**

**What impresses you about this statement? Keep reading (1 Cor 5:5) reads, “I have decided to deliver such a one to Satan for the destruction of his flesh that his spirit may be saved in the day of the Lord Jesus. [these are the words of Paul]. How do you see yourself in these accounts? Do you believe any of your actions shows compatibility with anyone to do wickedness? Can you believe it? For thirty-eight years there was no one to help a man having difficulty to get his healing? Why does it take Jesus to have pity on him? Do we not see when a person is being tormented and ask to bear too much? Who in your own family needs your help?**

**(In the book of Nehemiah chapter two, Nehemiah left his job working for a king to go, repair a Sheep’s gate. This is an impressive personal bearing of one’s responsibility towards the things of God? Yes? The work that Nehemiah did he came up under severe oppositions. Mocking and people trying to block him from completing the job. Were the people mocking them, exhibiting resentment because of a show of superiority? Was pure evil in their heart toward the things of God? Despite the opposition, Nehemiah, rose up with other leaders and they rebuilt the Gate. And set it apart as holy.**

**Why were they not afraid of the people threatening them?**

**Nehemiah did stay on and address the people suffering needs. But in general, take notice much emphasis is place on the things that are used for worshipping God, but that is not the same approach toward keeping people safe and wanting to stop them from perishing. God command Moses to apply to consecrated things and humans equal care (Exod. 38-40).**

# STUDY TO KNOW WHAT IT IS. AND WHY IT IS.

## The Picture Of Thirty-eight Years.

(John 5:5-9) One man was there who had been ill for thirty-eight years. Yeshua seeing this man and knowing that he had been there a long time, said to him, “Do you want to be healed?” The sick man answered “I have no one to put me in the pool when the water is disturbed and while I’m trying to get there, someone goes in ahead of me.” Yeshua said to him, “Get up, pick up your mat and walk!”

First, let us look at the pattern of 38 years. Remember that the Israelites were held in the wilderness for 38 years being agitated (Numbers 32:18-13; Deut 2:1-14). It is important to say that God knows this is not a thing worthy to be imitated or worthy of imitation. Why did Jesus need to follow the people of Israel in the wilderness to keep them safe from human beings like themselves (Exodus 17:5, Numbers 21)? Stubborn people is why God had to care about the people of Israel and rescued them. What was God’s solution (read Psalm 78). It is a lesson to us of what could or should be done.

### God rescued and release them to help them become the change they want to see in the world.

One thing is the Israelites should not forget how painful the experiences had been for them. It had been 38 years of sufferings, death and destructions for them and their children. For most people we forget that God or someone had to rescue us from injustices. When the people of Israel were suffering they lost many loved ones to death. So many of them refuse to display self-control of simple things as their lustful desires for specific food. They preferred to be killed than do what God requires of them. (Just read Psalm 78).

In the Bible God often uses the word remember—indicating an event and the action taken to stop or prevent disasters from crippling the life of humans. Remembering is to bring not just the event to one’s mind but we must process the physical outcome of the past events and then take action to stop it from happening again. In any event history keeps repeating itself and definitely not always in a good way. People who have the power to improve life for many lack courage. Refusing to courageously stand up for goodness.

❑ What is it that held the man for thirty-eight years? Why it took Jesus to come and have compassion on a man along with his own people? How long did the angel agitate the situation? What did the angel want to extract from the crowd?

❑ Perhaps the angel wanted to ravish the humans bodies for his own gains.

❑ Most important and the lesson to learn is that no one was willing to stop the success of distressing a man.

❑ Evil spirits or our own thoughts leads us to do harm.

❑ Irrespective whether if you are meek or mild mannered evil thoughts comes to our minds that is aimed at having us committing murder. Or having us help them to do evil. Thousands of people are ravished by diseases and die.

❑ See the impact when the Devil provoke king David to number Israel. No one stopped the king and 70,000 people died (2 Chron 21:)

## WHAT IT IS AND WHY IT IS?

Keep reading, the Bible anchors the development stage as God created male and female, created he them. “In his own image, after our likeness”(Gen1:26). God merges this event into an elaboration that the woman Eve did ate fruit and she gave to Adam and he ate. Why? Did Eve believe a false claim that serves as a distinction or superiority of the gods? Then what happened? They tried to mask their unworthy nature and promote a notion that they are able to fix the problem without help from God. Within the passage God tells us He had to kick them out of the Garden. To stop them eating the tree of life and live forever, in a miserable state (Genesis)

### **The Pattern Is An Old One. The Terrorist And His Terrorist Organizations Worldwide**

- ❑ “On May 2021, Ethiopia’s House of Peoples’ Representatives declared the TPLF as a terrorist organization. On 21 May, Ethiopia’s military prosecutors convicted 3 soldiers of rape and pressed charges against over 50 others suspected of killing civilians in Tigray for committing rape and other forms of sexual violence.” Wikipedia
- ❑ Was there not one human to STOP the Holocaust, the Nazi and its collaborators from systematically murdering six million Jews? Think about that.
- ❑ Was there not one human to STOP Ruanda Genocide? We ask were was God? What happens to humans doing the evil? Where is their minds?
- ❑ Satan’s mystery plan, is to make humans invisible or vanish in a split second. He sets out to prove to mankind all actions both of the wise and foolish ends in death. To prove humans are nothing. Do you still believe Satan can’t make humans invisible? When a person is murdered what happens? Fired from a job they are good at, loved, for no good reasons? Thrown out of one’s home? Afflicted with pain? Sickness? Heartbroken? Robbed? Do not get mad at me, but in what ways are you helping to establish Satan’s plan? Do you treat others as nothingness? Make their life feels meaningless? Why restrain a friend, workmate or family who wants to receive help? Whoever does good is of God (3John 1:11).
- ❑ In the human communities are there any “real helping” counterparts? Any place in the whole wide world? Do you understand what appeals to one’s taste or desires causing us to be so cruel? What explanations do we have for providing the behaviors to trap other humans and harm them? Why do we bring a person down to a lower level and then crush him or her without a second thought?

### **THE SCRIPTURES DESCRIBE GOD AS LOVE (1 JOHN 4:8)**

Everything God does is coming from a place of love. The Bible explains love covers a multitude of sins. God has protected and shielded humans beyond the extent we deserve. But when Satan let loose his mystery plan, it was a covert plan to have male and female become murderers. The plan was for human’s life to be like nothing. In split seconds a life is gone through evil designs carried out by unthinking humans. Blame human behavior, of harming each other on facts that our frontal lobe is not performing, how God planned. Humans’ minds are jacked up. It takes great deliberate effort to love another individual. And helping has to be done on purpose as your voluntary contribution. Life’s purpose is to fear and obey God because without him we can achieve nothing.

GOD WALKING IN THE GARDEN

3. What are the two noticeable evil in this passage (see Amos 5:14-15). What did the man answer Jesus about anyone to help him (John 5:7)? The difference between God and man is God's willingness to help.

(Amos 5:14-15) Seek good and not evil, so that you will survive. Then Adonai ELOHEI-Tzva'ot will be with you, as you say he is. Hate evil, love good, and uphold justice at the gate. Maybe Adonai ELOHEI-Tzav'ot will take pity on the survivors of Yosef.

**REFLECTION:** In all public squares and private Jesus agreed with God. Jesus hate evil and love good, uphold justice. Had pity on humans. What do you learn as to what the serpent trying to extract from you? Is it for his gain? If so, how can you use the opportunity to save a life?

1. (John 5:7) The sick man answered, "I have no one to put me in the pool when the water is disturbed and while I'm trying to get there, someone goes ahead of me."

**FIRST:** A paralyzed man is trying to get to the pool without any help dear friends? (What mark does this have on you?)

**SECOND:** Visualize yourself in a crippling position and someone steps ahead every day receives help but leaves you helpless and devastated. (Does this impressed the danger on us? What is the mental effect on you? Does this strike you as evil?)

**THIRD:** Now imagine your counter-part PARALYZED "held" mind and body bound in the most devastating situation agitated by an angel; experiencing the most overwhelming conditions in life! Pause and think! You happily steps ahead of him? What is it? Why do we do it?

### Our challenges, our problems

The parallelism part is let me remind you "someone goes ahead." Does that sound familiar to our actions today? Might as well someone did tie down the person **suffering** with one's own two hands. These patterns we keep repeating over and over in each of our lives today. Stop and ask the primary question. Each one of us needs to ask our self, am I happy something hold-down others for us, inside our circles? When someone in our midst who we fear their gift is held down does that comfort us? Do you think it is okay because that way I can finally get ahead? Let us use the book of Job and look at some examples, first, people were influenced by Satan to overwhelm Job's life. When God rescued and restores Job. God rebuked Job's friends. Why? The Bible says, "After Yahweh had spoken to Job, he turned to Eliphaz the Temanite, "I am angry with you and your two friends because you have not spoken of me rightly, as has my servant Job" (Job 42). Power to please God is in all of us. Why do so many people please demons? Satan is not an archenemy of God. He is a Tormentor of the human race. It is humans who played the role of an accuser and obstructed Job. The behavior is sinful and basically an offense to God. Job tells us that sinning can do God no harm. But our action hurt people (Job 35:6).

2. Here we provide you scholarly views—other explanations for Satan is: "(Numbers 22:32) Satan refers to a divine messenger who was sent to obstruct \*Balaam's rash journey" (The Oxford Companion To The Bible Pg. 678).

- Pause and think. When something agitated someone and they harm you. What do you do? The people who hurt you are you hostile to them?
- Do you become agitated and hurt your friends? And hurt people you do not even know, because you have no control of your own will?
- Jesus was not manipulated. Why? Wherever Jesus went preaching, he would heal the people (Matt 9:14). He feeds them. And restore their joy.
- Do you know that there were people hurting Jesus even while he was doing good to the sick people in their midst \_\_\_\_\_?

4. From the answer Jesus gave the man who was ill (John 5:14). What do you learned about your own relationships? What is the purpose God sent Jesus (see Isa 51:9; 54:10; Zec 12:10; John 3:16). Jesus was more than willing to have his body be lacerated to save you (Matt 27:24-31). How does what Jesus do help you change your approach?

- ❑ (Zechariah 12:10) And I will pour upon the house of David and upon the inhabitants of Jerusalem the spirit of grace and of supplications and they shall look upon me whom they have pierced and they shall mourn for him, as one mourneth for his only son, and shall be in bitterness for him , as one that is in bitterness for his firstborn.
- ❑ (Isaiah 51:9) You who pierced the sea monster
- ❑ (Isaiah 54:10) For the mountains may leave and the hills be removed, but my grace will never leave you, and my covenant of peace will not be removed, says ADONAI, who has compassion on you.

(John 5:14) Afterward Jesus findeth him in the temple, and said unto him, **Behold thou art made whole; sin no more, lest a worse thing come unto thee.**” According to one of the views about sin supported by the Holy Bible, sin is an offense in the sight of God. (Genesis 4:7) God explains that sin lie at the door of a human being in that case, it was “to Cain” and God said unto him he can rule over sin. Why then do we sin with our ears? Lips? Hands? And feet? Injuring others or yourself.

## Reflective Questions

From the answer Jesus gave the man that was ill. What do you **learn** about your own relationships\_\_\_\_\_?

I learn, Jesus came to us and he has filled up our life with favors. First, notice that he repairs the human body to good health. Ahead of pointing out the character mistakes, sin or sinfulness in one’s life (John 5:14).

- ❑ In particularly, this case with the paralyzed man serves to identify the form of human behavior. What is the difference with human and Jesus’ approach? First pattern is, Jesus stops the wickedness afflicting him. Second pattern is, not until he was already well then Jesus warns him about what could happen in the future, if he keeps sinning. “Worse thing will come unto thee.” (John 5:14) What does this mean? Worse thing? When mankind do wicked things in the earth. What happens?
- ❑ Let us reflect, Jesus displays emotion or a form of behavior; empathy a profound feeling, capable of producing action which helps the person suffering improve mentally or physical. Jesus did not offer ANY speculation, or place focuses on the reason for one’s suffering. A behavior frequently noticed between male and female where we focus on needy people’s character and it is used to judge or debased the individual needing help. We sometimes even restrain others who would respond by helping each other.
- ❑ What did Jesus mean when he said worse thing will come unto thee? The Bible provides the explanation in (Matthew 12:43-45) When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest and findeth none. Then he saith I will return into my house from whence I came out; and when he is come, he findeth it empty, swept and garnished. Then goeth he, and taketh with himself seven other spirits more wicked than himself and they enter in and dwell there; and the last state of that man is worse than the first. Even so shall it be also unto this wicked generation. **These describes a process of spirits (spirit beings) coming to completely ruin a person. And it suggests force to demolish the body of the person. Also, consider that the spirits will prevent other humans from giving any real help.**
- ❑ Do you understand that you need the Holy Spirit’s help to guide you (See John 16:12-15)? Do you need help? Ask Jesus to send the right person who will truly help and not harm you more. Nor will they want to profit off your situation. Do you get it?

5. (John 5:16-20) Remarkably important question: Humans try to obstruct Jesus' ministry. What stirs up humans to be hounding Jesus because he heal a man? Why are humans acting as an accuser because Jesus made a paralyzed man whole? The Bible describes a situation where people hunted him to be murdered. What drives murderers to leave a person lifeless? What mess up one's will overwhelm them to do such levels of evil?

**What sense does it make to be seeking Jesus for the sole purpose of condemning him to death?**

(John 5:15-20) The man went off and told the Judeans it was Yeshua who had healed him; and on account of this, the Judeans began harassing Yeshua because he did these things on Shabbat. But he answered them, "My Father has been working until now, and I too am working. This answer made the Judeans all the more intent on killing him---not only was he breaking Shabbat; but also, by saying that God was his own Father, he was claiming equality with God. Therefore, Yeshua said this to them: Yes, indeed! I tell you that the Son cannot do anything on his own, but only what he sees the Father doing; whatever the Father does, the Son does too. A critically important question for all of us. What must you do before others want to kill you?

**What was Jesus doing to cause humans to want him murdered? I am also speaking about today's human desire to commit murder.**

1. What messed up the will of humans and overwhelmed a person to take such cruel action? What is it? What is really wrong with our mind?
2. Do you believe murderers experience a loss of one's executable will?
3. What is driving an individual up to the point where he or she actually commits the action? To murder innocent humans?
4. This account describes how crowds of people pursue or hunt for the life of an innocent human being to deliver them blows and leave a lifeless body laying on the ground. What makes a person depart from logic and be completely unreasonable? Acting as madmen?
5. What is making us by our deed or word and action be harmful to another human? To be calculated and malicious to abuse a person?

### THE PUZZLING QUESTIONS

What grabs hold of an individual and drive the person to locations or even hideouts they would not normally go. But they will willingly go just to do an evil action. This has to be an insatiable appetite to commit wrongs. Evil. Very evil. To search out a human being as a target. Identify and pursue someone innocent and murder them. These are behaviors the Bible teaches to us and has shown that they are improper. Sometimes resulting from ignorance or oversight and even overindulgence in alcohol (**Genesis 9:21**) when Noah became drunk and behaved inappropriately. (**Genesis 3: 6**) Eve ate the fruit and then cause physical and mental injury to herself and the man Adam. Why are people still willing to blend into a group that lack uniformity or character just to commit murder? If we continues to believe that what we say does not matter. What we do does not matter. That what happens to men and women across the world does not matter. That what leaders do to incite looting and murder does not matter. As long as the behavior is acceptable. We are headed into a very dark area. One that no human being will be able to withstand. We all needs Godly wisdom and help to consciously understand and do what one's rational mind do not understand. Or wants to do. Think about what Paul observes over and over in his own life. He does not do the good he wants to do but rather keeps doing the evil what he does not want to do. It is sad so many people cannot bring ourselves to a place where we are disgusted with wickedness. **When will we cease these manner of acting since they are evil?** Arise, be the change you want to see in the world.

a). We need the Holy Spirit's help because human's mind/heart is full of madness while we live (Eccl. 9:3b) We need divine help to cease from the evil mankind do daily.

b). When the spirit of God is speaking through us. We look for solutions. Humble one's self. And we do not create chaos.

- (John 5:19 & 21) “Yes indeed I tell you that the Son cannot do anything on his own, but only what he sees the Father doing: Whatever the Father does, the Son does too.” 21 Just as the Father raises the dead and makes them alive so too the Son makes alive anyone he wants. CJB

Do you know why Jesus address the “**action**” why would he only do what he sees his Father do \_\_\_\_\_? Think, there were scores of sick people at the pool. Was the paralyzed man distracted \_\_\_\_\_? Why should Jesus be concern that he enjoys health \_\_\_\_\_?

Notice, Jesus did not focus on whether or not a paralyzed man was inattentive, careless. Maybe he was daydreaming! Jesus did not look for excuses not to heal him. No, not at all, Jesus sees that this man was held down and need human help to continue his journey. Waiting for thirty-eight years without receiving help. No, not even one of the people witnessing his pain helped.

Jesus did. He provided the man with what he needed. Jesus chose to give new life to the paralyzed man, who had an inactive life. He helped him to become alert. Restores what he has lost to the enemy and gives the man an opportunity to get on his journey to a new life. Adding, he provided him counseling and understanding how to maintain his healing. Be watchful of evil spirits that wants to live in your body.

Just the same way God did at Creation. When he created a pleasurable world and handed it over to humans who had done nothing to be awarded it.

## WHAT DOES IT MEAN TO HAVE FAITH?

Faith is the process of doing something in order to deal with a problem or difficult situation facing humanity. Faith is your work. Your action. Fight for your faith to believe the Word of God to think like Jesus does. And adapts his mannerism to go and help people fix the problems in their lives. First you need the Holy Spirit’s help to be delivered from your own dark and evil thoughts. When you are delivered from the dark and evil thoughts remember God’s help and be the change you want to see in the world. The thoughts God has for us is good. He provided us with good advices to be able to reach our God-given destinies.

- Yeshua’s actions takes mental effort. He takes the time to think about you. He values you. The image of Yeshua (Jesus) going to where a paralyzed man is held down and tormented was a measured action. He went out of His way to deal with a particular problem. He went to give that man new life. The understanding is the will of God remains to help right the wrongs done to humans. Specifically the ones you are dealing with.
- The identity of Yeshua’s action are the ones he is training us to do. To begin to use God’s plan the right way and make it work for healing the injured or brokenhearted ones.

Dear Lord Jesus,

All humans are being exploited time will not allow me to write out all our pains. A large group of people in the world are having difficulty exercising their faith in the face of the crisis and challenges in their personal lives. Despite what the Bible says and the fact that every day you rise them in rebirth. The heartache and the pain make your people weary but you are faithful and true so we need strength to have joys. We yearn to share in your peace and presence. Let the souls that are bound free so they return to your Torah. Holy Spirit help us to obey the voice of God. And be gracious to us. And help us work at believing that we can march in unity and solve any problem facing the world. Heavenly Father, You told Sarah she would have a child. Had she not taken the steps necessary. She could not have the child You promised her. Help us to arise and do what you have instructed us to do. Blessed are you Father of us all. Thank you for loving us. O may all people worship you always. Amen.

(Hebrews 11:11) And by faith even Sarah, who was past childbearing age, was enabled to bear children because she considered him faithful who had made the promise.

(John 3:16) For God so loved the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life.

(1 John 5:5) Who is it that overcomes the world? Only the one who believes that Jesus is the Son of God.

7. What did Jesus say about John (John 5:35)? See Psalm 132:16 and Daniel 12:3

(John 5:35) He was a lamp burning and shining, and for a little while you were willing to bask in his light. But I have a testimony that is greater than Yochanan's. For the things the Father has given me to do, the very things I am doing now testify on my behalf that the Father has sent me."

You are given a variety of opportunities to intentionally plan to and do good. To be friendly. There are so much evil in the world. They cause pain, suffering, or hardship to others. God allows them to arouse or produce a mental or emotional response in you. One that will bring about Good. Some responses just requires you to show kindness. Tenderness. Pity or mercy. A person in your midst maybe exposed to harm or loss. You are gifted to help someone improves their health. To help a person experience peace in their life. It is our responsibility to do good. Jesus was in a dark world and he chose to emit light that others may see, come alive and honor God (Go and read 2. Corinethian 9:12), your generosity will cause people to thank God. Imagine someone is sick for thirty-eight years living a life of hopelessness. And one day you happen to be the light God sent to shine hope and hold the person's hand bringing him or her out of darkness to come and do great things for himself and the world. Think about it, you are that vessel. God wants to use and do something good. Your options are I place before you life and death, blessing and curse choose life so that you and your children will live (Deut. 30:19). What does that mean?

Allow the word of God to fill your mind with awareness. Teach you how to identify hurting people and the appropriate help to give. Also in your own life, choose the kind of signals you want to put out there on your platform for others to see. Your words bring life. It can also brings death. But never hesitate to rebuke evil intent and actions. First understand, we are all vulnerable. Arriving at a good place in your life, try to attract people likeminded around you. People who are opposite of what the scriptures command us to do NEEDS you. Do not accept their behavior as the norms. Rebuke them privately. Or openly if needed.

"THIS IS THE TEACHER" I AM SPEAKING TO YOU ARE YOU READY TO CHANGE

Jesus came to us with the broadest knowledge of the universe. He taught facts, ideas, and the totality of the plan of God for our life. He died so that you can have a brand new relationship with God (see John 1:12). The people in authority in John's story did not grasp the meaning of the message. They missed nuggets. Did not see that Jesus came because of their suffering and to be their savior. And to return them to a new and better relationship with God. Let us all keep trusting Jesus. One question he left with us is. When I return will I find faith on the Earth (Luke 18:8).

In spite of what you are seeing with your eyes in the nations. No healing of your bruises. The chaos in your own life, around the world; continue to trust Messiah, Yeshua. Stand up for the truth God's word teaches. Reject lies. Stop harming humans. Everything happening in the world today occurred in the Bible. Stop trying to manipulate people to harm others. People harming themselves, teach them God's word, let the Holy Spirit help them change. The end is here. You, choose to do good, because God is coming to judge your actions....as recorded in the books (Revelations 20:12).

The prayer of king David. How many years ago was he confronted with this level of evil? What have we really learned? Anything? Anything at all?

## GOD'S PURPOSE MUST BE FULFILLED IN YOUR OWN LIFE AS WELL

### **Why I am writing about the book of John? Are you someone appointed by God for a specific mission?**

Adam was the first man God made and given a command and he disobeyed. Many of us learn the Bible from our Parents, teachers or at congregations where God calls and appoint Pastors as leaders. It is easier to learn that way. One might believe. But by me wanting to take a closer look at the book of John. During a time of fasting the Holy Spirit led me into searching for understanding...After months of discussions with God, Yeshua (Jesus) the Holy Spirit. As soon as I finished the fast! I heard the voice of Jesus loud assigned and commanded me to teach the book of John. But I was sent on a spiritual assignment overseas. Many years ago, while there someone remove from my device all notes I wrote. Of course, naturally, I became frustrated. I thought if God wanted me to write why allow the notes to be erased. My own people was used to erased the notes. But remember, we were given the privilege to choose broadly what we want to do. The unique understanding of actions and the actions results were recorded in Genesis to help us be wiser.

- ❑ The bible gives clarity so we understand "one's mind" the ears and eyes are to see and distinguish **Good** from **Evil**. All of these organs describe what is involve when a "condition of turning point" presents itself. Your appetite such as hunger, thirst, and emotions like desires, grief, your thoughts, love and hate, all your mental activity comes from inside of you. Thus, when an opportunity for you to make a decision is presented to you, stop and reflect that your action: Will create change in the life of an individual; peoples and worlds! You are putting down your personal mark on the world. Your action can be good or evil. Your option is a personal choice. But they have a place in the public records. Thus, as we develop you have the opportunity to reflect on the changes you have brought about in the world. This raises the question and gives us something to reflect on, for all of us asking why the serpent prove (or test, torment) Eve by asking hard questions! And where was Adam? Notice that her test was a simple question and the intensity was significant. A couple of answers to the questions: First, how well did Eve understand her role? Two question remains for us to consider! One, what is your perception of helper? The other question is, when provoked or challenged do you function how you are suppose to work? In other words, when you do wrong, to a person, do you experience a high degree of fearfulness? After you do the things that are wrong maybe a thought pop in your head. Do you become more upset? Then you act upon the thought to remove the provocation. Perhaps you are associated with a murderer and the person encourages you to murder your (relative) or partner that way you remove any obstacles. Maybe you would cowardly become a liar and put the blame on anyone that knows your error? All these are actions that is recorded in Genesis.
- ❑ **Thoughts and actions is a natural part of the life cycle. Many of us are familiar with evil wicked thoughts. We share in activities accompanied by considerable risk. Example the need for money. A sick man in critical condition. When you are to be the change that is likely to shape other individual's future. What do you do? If something or someone is set on an intentional terrorizing humans far beyond, much more than a person should be ask to bear. Should it be that you are the only witness, witnessing cruelty. What should you do\_\_\_\_\_? Be united and work together with the person tormented to help stop him/her from being grievously troubled in an unnatural terroristic manner. Do you join the terrorist? Think again about Adam and Eve. Where was Adam\_\_\_? Think about what you do when you make a mistake at work? Reflect on the terroristic acts of this generation. Do you understand the lessons to learn? Yes? Or, no?**
- ❑ These things happen that we might understand the scriptures and have wise and understanding heart to apply our self and do exactly what the word of God tells us to do. Arise, go and do something to stop the chaos and care for each other.
- ❑ True, I am not John, but Jesus gave me a task. So, for each presentation of the passages in the book of John my prayer is that God's Holy Spirit add more truth in you to live a healthier life.
- ❑ Similar to some of John's rough days, where he lives in the ~~~wilderness~~~ **I can connect to his experiences distress and triumphs. Blessed be God, YHVH, Lord Yeshua he has given me the necessary authority to succeed!**

**YOUR HOMEWORK: SCRIPTURES ARE DIVINE SPEECH AND HAS ITS ORIGINS IN THE MIND OF GOD.**

**1. EXPLAIN TO US HOW WILL YOU FIND UNDERSTANDING OF LIFE WITHOUT A RELATIONSHIP WITH GOD?**

**2. EVERY MINUTE DETAIL IN YOUR LIFE IS IMPORTANT TO GOD? DO YOU WANT TO KNOW WHY?**

**3. CHECK YOUR OWN LIFE WHAT HAVE YOU BEEN SAVE FROM BUT FORGET TO EMPATHIZE WHEN OTHERS ARE HURTING?**

**4. HOW MANY MEN YOU KNOW AND THEIR WIFE IS HARMING THEM BUT YOU JOIN HER TO DAMAGE HIM MORE?**

**5. HOW MANY WOMEN AND CHILDREN ARE ABUSED AND YOU KNOW OF THE MOLESTATION BUT CHOOSE TO STAY QUIET?**

**6. HOW MANY FRIENDSHIPS YOU KNOW THAT ARE ABUSIVE AND WICKED BUT YOU CHOOSE TO KEEP YOUR MOUTH SHUT?**

**7. THINK ABOUT YOUR ACTIONS\_\_\_\_\_? HAVE YOU MISSED OPPORTUNITY TO HELP SOMEONE THAT IS BEING HARMED?**

**SEE NO EVIL AND HEAR NO EVIL— WE CAN PLAY DEAF, BLIND DUMB IF WE WANT TO BUT EVERYONE WILL SOON AWAKE.**
