HAPHAZARED SCATTERING OF PEOPLE IN ALL DIRECTIONS WORLDWIDE HAPPENING FROM LONG AGO IN THE BEGINNING

WHAT IS IT ALL ABOUT ?
At God's order everything is fulfilled at its time

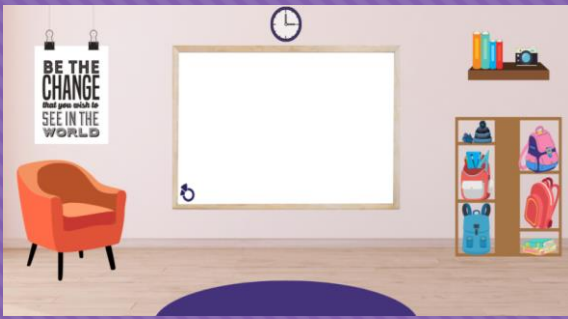

Everything must be studied for its purpose. Here is a good question: Why do you harm yourself? Very important...What was life like before the first two humans had to be sent in a different direction and scattered from their beautiful home?

- ❑ Nothing surprises God. Their deeds shows God's love and mercy was given to them but it also show God's wrath can be poured out as a necessary punishment (**Gen. 3:24**).
- ❑ What is your tasks? How well do you do your work? Do you know God's standards? **THEY HEARKENED NOT TO THE VOICE OF THE LORD—** was not interested in God's standard because of that they **WERE SCATTERED IN THE LAND.**
- ❑ Ask yourself why do you drive a truck but ride a bike? Each one of those requires a specific action. Yes? Or no? Then why give God a substitution for the specific action he requires?

Welcome: To An Outline Of Human History Of Being Scattered

“Despite all this, the people were not converted and did not turn away from sin; not until they were deported far from their country and scattered over the earth” [Sirach 48:15].

People are scattered in all directions worldwide today! What is it about?

Let us talk. The Bible gives a list of duties and how to do them; they explains why people are scattered over the earth.

- We all know that God provided everything in the world and the rules how humans should function in the earth**
- God has shown us what a satisfying and healthy life consists of:**
 - a. Education (how to do or acquire something in life) Go and read Genesis 1-2
 - b. Developing a business or becoming professional at your task and enjoying the results (Go read Gen 1:1-27)
 - c. Someone close to share life with (animal and human) Go read Genesis 1-2
 - d. Helping those in need and caring for the earth (Go and read Genesis 1:26 and 2:18)
 - e. A family (Go and read Genesis 3-4)
- What was life like before an haphazard scattering of people from one's home? Why an angel with a sword?**
- The human history began with mankind enjoying a happy personal relationship with God (Genesis 3:8).**

This kind of life can only be successively achieved by persons who acknowledges God as the source of everything. And follow the direct path of life God has offered, you and each of us. Everyone has a specific call. The key principle is get to know God personally for one's self. Read His book. Talk to God and listen to Him. By now, you could be asking, then why aren't majority of people in the world living and experiencing a joyful type of life? Relationship? And why are people scattered worldwide? Humans living under bridges? Running for one's life? Moving about like herds? Suffering? Is there a sword that devours man forever? Any prophesy for the sword to stop (see Micah 4:3)

1. A command is given to which everything must conform (Gen 2:17; Ps 148:5-6)

(Gen. 3:1-24) described Adam and Eve's sin, punishment and why they had to be scattered. One reason is God's rules are the standard by which **MAN MUST LIVE**. Any time mankind deviates or violate God's standard. What happens? It is quite clear that all of us have sinned! Do you expect an angel with the sword? **(see Gen 27:40)** Do you expect miseries? To be scattered? Think about it? Every person on earth needs to know God and worship Him. ➡ Will the sword hunt mankind down until we get to know and obey God. Do you understand? Within is terror and outside the sword ((Duet 32:25).

Every time a person tries to explain Adam and Eve's story and not blame Satan it laughs. He knows something humans are delusional about. Hardcore Christianity in Arizona has a (YouTube video) "Seminar Revelation Churches 10/22/21: Ephesus. Repentance. First Love Loss." Great testimony revealing how demons had a young man kicked out of his home. Now he is homeless. The teacher is a train Psychologist Mike Smith. Go listen to that video, hear Mike's testimony. We need to at least be trying to know God's standard of how we should function while we work and live in His world. (Rev 19:15) describes a prophecy of a sword to attack the nations and show the fierce anger of God. Do you know why?

Even so, the Bible tells us that when man sin do this. (1 Kings 8:46) if they sin against you (and there is no one who does not sin) and in your anger, you deliver them to an enemy who takes them captive into enemy territory, whether near or far off; and if in the land where they have been carried captive, they sincerely repent and plead with you and say, "We have sinned and have acted wickedly, if they do repent with sincerity while in the land of their captors and pray to you, turning towards the land which you have chosen and the house which I have built for your Name then listen from heaven, your dwelling place, to their prayer and supplication and defend their cause. Forgive your people who have sinned against you; forgive their offenses and make their captors have compassion on them...(you find 1 Kings 8 and pray vs 46-61)

- Everything serves its purpose. Who are the captors? Are they Angels? Humans? Other?
- Does the Bible tells us that God's sword hunts down humans whose actions are evil?

God's Rules to live in his world

- ❑ The Bible consist of the instructions by which we should live and enjoy a good life.
- ❑ God describes the past humans efforts, actions, deals, decisions and the results. He gives clarity of the things on earth that depends on men; to do them and commitment needed to progress in all areas of your life to be beneficial worldwide.
- ❑ God did not want to lookout in the earth and see wickedness and the type of oppression you are seeing with your own eyes. But he knew what humans would do to each other.
- ❑ Since the earth belongs to God and God is Holy and fair, he will not establish a personal relationship with no man until we deal with our sin. We deal with sin in one's life by turning away from doing wrongs and do the right thing.
- ❑ That is what it takes to have a relationship with God. It is who He is. You don't want anyone to tell you how to be. Do you? (Hab. 1:13) Says of God, "Your eyes are too pure to see evil,"

Do you search for inner meanings of the things you are told, things to do or not do? Usually most people will go ahead and set their own rules, so as to not let other people violate, hurt and abuse us.

- ❖ Study some deeper meanings why Adam and Eve were driven from their home to go and struggle. **First, sin is a violation of God's instruction and who He is. God does not have to tolerate man's violations.** And so, with the two first people God began to give examples of what will happen when humans refuse to make any effort to live by his standards.
- ❖ Remember God uses a simple example to teach why they were driven out and into a new direction (Gen 3:1-24). Violating God is one reason Adam and Eve were not able to enjoy life or each other peacefully. Abuse in their own personal relationship is another reason. God shows he will not tolerate any of it. **Go ahead, ask anyone who experience betrayal in a relationship what it feels like? Are they suffering enduring pain? And loss of reputation? What does their broken heartedness feels like? Are they crying? In too much pain? Ashamed? Severe sorrows and so on? The door of paradise and fun was closed to them.**
- ❖ **Homelessness: Ask anyone who does not have a home what that does to one's feelings? And to their health?** This is what not living up to God's standards do to us. It cause separation from God, deaths, in our relationships too, grief, broken heartedness, cruelty and oppression.
- ❖ Good and evil in mankind is to lead us back to God. Turning to Him opening our mouth in prayer of thanksgiving for goodness and repenting for violating God and being hurtful to others.

1. a) An angel with the sword of God against them gives us clues to the meaning of the miseries in our own life today of falling into terror, pit and snares upon the earth.

□ The Bible tells us (Gen 3:24) So he drove the man out, and he placed at the east of the garden of "Eden the k'ruvim and a flaming sword which turned in every direction to guard the way to the tree of life. **That was man's first barrier to a very good life. It has not been removed.** No human effort can do that.

What is the solution? Fortunate for us nothing hinders God's work to save us. Apart from God's love and mercy which is one solution. He has sent Messiah Yeshua to save us! The Holy Spirit to help us. **What else?** Understand our purpose on earth is to do God's will by providing real solutions to those who need it. Remember, it is not because we deserve help; but God does it freely. When Jesus' blood pays our debt. On the other hand, our actions are evil. And so, we cannot do enough confession or repentance. Those two things helps but is not enough to bring about true joy because all humans continuing to sin. Daily, we make mistakes in our actions. So what to do?

How can the world's problems be solved?

Spiritual: Pray for our deliverance. Keep repenting and we ask God for mercy. But God chooses if he should give it to us or not give it. Even so, if you do not ask, you won't know whether or not you will receive.

Physical contribution: God gave us medicinal herbs and said it is sensible to use them. He is the One that established doctors with the gift of healing to heal us. Chemists to make mixtures, scientists to work jointly and heals. **You have your own skills too.** But be led by the Spirit of God. You need the Holy Spirit to tell you how to help anyone needing our help, if he sends you, then if they ask, do it even if they do not deserve it.

GOD DOES NOT LEAVE VIOLATORS UNPUNISHED

- If such is the will of God, we need discernment. Deep down everyone wants a good life. But we have been unwilling to reflect on the hidden mysteries of God and is going about the wrong way killing each other when trying to reach our goals. Adam and Eve opens death's door.
- Adam and Eve were the examples of the wrong way people go about trying to achieve their goals.
 - a). They did not believe the word of God.
 - b). Did not seek the understanding of secondhand knowledge. What is its purpose? Will it be harmful?
 - c). Neither of them weigh their actions carefully.
 - d). **They did not discuss the deal** the serpent presented them. Did not talk to God if it is good or evil, before making their moves.
 - d). None of them made the decision to disclose what they had learn from God or glory in the instructions of God.
- But because God loves them and was ready to pardon them, he provided a substitute for them. Breath did not leave their bodies instantly. But they were punished. That pattern is visible in our own life today. People scattered. Harmed. Depressed. Imprisoned. Miserable. Murderers.
- Today God's solution for violators involves believing the word of God. Accepting Jesus died for the forgiveness of our sins. Then why can't we have the good life? Ask yourself, can you legally remove what is in your way? Is it an angel in your way? A human? What is it?
- Do you wonder why is it so? All the work of God satisfy his needs. You live in his world. His rules. Play by them.

2. Cain with his murderous hands, murdered his brother and became a lunatic, scattered, and was driven in different directions as a wanderer.

Cain and Abel story in the Bible

- What was God's standard for Cain? What was mentioned for Cain to rule? What happen?

The Bible says, (Genesis 4:6-7) ADONAI said to Kayin (Cain), "Why are you angry?" Why so downcast? If you are doing what is good, shouldn't you hold you head high? And if you don't do what is good, sin is crouching at the door—it wants you, but you can rule over it."

8 Kayin (Cain) had words with Abel his brother ; then one time when they were in the field, Kayin (Cain) turned on Hevel (Abel) his brother and killed him.

- As you have seen personal accountability is demanded of humans. Faith also is necessary. But it was Cain's action toward his brother the object of what God demanded of him. That's God's standard.
- Yes a person can be angry. God is fine with that. You can also feel downcast. No matter where you are in life that is okay too.
- But you cannot commit murder, killing humans because of your feelings. After all, God has all those emotions but instead of murdering Adam and Eve he provided atonement by means of covering their sin. He sent them away with the appropriate punishments.

- The story of Cain may seem like a simple thing to you. It is not complicated. Try understand that this is happening to too many people today. It teaches the depth of what is happening around the world to us today. It shows anger, depression and violence as the deciding factors and deep root of the evil in one's heart pushing murder. Anger and depression opens the floodgate to murder. One reason is because humans are defiant. We do not want to believe God's instructions. Revengeful. Out of control. We believe we can invent new rules for the fixes. Do the new rules help humans? When? How? And are things working out for you? In what ways? Aren't you been frustrated?
- What was (Kayin) Cain's punishment? Was Cain committed? Yes. Did he do his best to murder his brother? Yes. Did Cain have time between the moment he had words with his brother and when he went to the field? Yes. Could he change his mind and not harm his brother? Yes. The Lord's punishment for Cain is because of his effort to accomplish his evil action. God says(Gen 4:12) **"You will be a fugitive, wandering the earth."**
- Another incident. As you see, Cain's case is another one which because of his action it resulted in scattering a human as a wanderer.

GOD'S PHYSICAL DESCRIPTION OF PEOPLE SCATTERED WORLDWIDE

[\(Gen. 10:8-10\)](#) Cush begat Nimrod: he began to be a mighty one in the earth. He was a mighty hunter before the LORD: wherefore it is said, Even as Nimrod the mighty hunter before the LORD. And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar. Out of that land went forth Asshur, and builded Nineveh, and the city Rehoboth..."

[\(Gen. 11:1&2\)](#) Now the whole world had one language and a common speech. As people moved eastward, they found a plain in Shinar and settled there. They said to each other, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we make a name for ourselves; otherwise we will be scattered over the face of the whole earth." (KJV)

[\(Gen. 11:9\)](#) From there, the LORD scattered them abroad on the surface of all the earth.

We need to be different. All of these humans in the Bible shows us that we do not do what is good for us.

DECISION TIME: The whole world is in crisis. It is time for the right actions.. The same way ordinary people came together and worked with the mighty to collectively lift their voice, and gathered and work toward what is not good for us. Now, for those who did not learn the bad results. We must do what God says to do in His world or we will be ruined and scattered.

3. Nimrod is famous for, the cause of confusion, AND all people in the world to not understand each other's language and THE haphazard scattering of a large group of people driven from their communities scattered worldwide

From Genesis God make sure we could recognize what is happening in the world by describing the human efforts, actions, deals, decisions and the results. He uses different humans to show levels of commitments exhibited which were: wanting one's personal desires whether for good or evil deeds.

1. Did the people Nimrod gathered not need a city to live in? God did not say so. Were they committed? Yes, very!
2. Was that building too near or in a city by the Garden of Eden? We do not know. Is the building built where God had His angel guarding? Was it between the rivers, Tigris and Euphrates? These and many other questions are unanswered. And, where is Eden? Is Eden hiding in front of our faces?
3. This calls for better understanding. History and scholars tells us at this location they builded is simple (**"the gate of God," "the gates of the gods," "seat of life,"** these are powerful descriptions man declared. More so, notice humans behavior how difficult it has been to follow rules. And the ease in which wanting one's own way, we do what we want and not worry about the consequences. Think about Eden.
4. The Bible mentions that mankind came to Shinar to make a name for themselves. Is that the purposes God created humans? What were they to do? Would you say Eden in the Bible is where God began creation— is Eden **"the seat of life"?** **"the Gate of God?"** What do you believe? Why were people so defiant and build in that specific city? Is **"Babel"** in Eden?

4. What's God's establish list of ways from the Holy Bible for our WELLBEING and BENEFITS globally? It is decision time...time we change. Ask yourself why do you drive a truck but ride a bike? Each of one requires a specific action...

- ❑ DOCTOR—God established with the gifts of healing which comes from God (Sir. 38:1-15).
- ❑ God created medicinal herbs and said "these sensible people will not despise."
- ❑ CHEMISTS—is to make mixtures...God informs us that there is a simple way to purify water.
- ❑ God instructs us that when a person is sick do not be anxious; pray to the Lord to heal you. Adding, "give up bad habits, keep your hands unsoiled and purify your heart from all sin."
- ❑ First, the sick person is to seek God, then go to the doctor; the bible says, "do not disregard him—you need him. They too will pray to the Most High to grant them success in healing in order to save life.
- ❑ DECISION TIME: Did you know the Bible says, "May he who sins before his Maker, fall into the hands of the doctor!"

Great is our God praise Him

- GRIEVING—"Weep for the dead...bury the dead with fitting ceremony, and do not fail to honor his tomb. Imagine, the Bible tells us to "weep bitterly, cry out with full voice and observe the period of mourning in accordance with the merits of the deceased." God goes as far as say, then be consoled in your grief, for sorrow may lead to one's death so let your affliction cease when the funeral is over because a life of sorrow is intolerable. **Think of the many tombs mankind has dishonored.**
- A LAW STUDENT—he acquires wisdom; free from business he is capable of becoming wise. By now, we all should know, wise decision and judgement are based on God's established rules and experiences to judge between what is right and wrong. For the people in this field to do the right thing.
- FARMER—God asks this question, how can the man who guides a plow become wise, when his feeling of satisfaction comes from snapping a whip and driving bullock, to work continually and talks of nothing but cattle? Persons who chose these actions are contributing meaningfully to the world.
- ALL CRAFTSMAN—toiled day and night, skilled workers professional engravers of seals. They are determined to achieve something nice and create new designs reproducing the models. The bible says "These craftsmen depend on their hands for gaining skill in their different crafts. Without them a city could not be built; no settlers or travelers would come to it." But they are not found in the councils of people, nor do their words carry weight in the assembly. They do not occupy the judge's seat and they are not familiar with the law. **What is God telling you?**
- PERSON REFLECTING ON THE LAW OF THE MOST HIGH GOD—He searches for the inner meaning of proverbs and is interested in the secret parables. Early in the morning his heart is set on turning to the Lord his Maker, and raising his being to the Most High. He opens his mouth in prayer and makes supplication for his sins. He speaks word of wisdom, and prays; nations will obtain his wisdom.
- All of us have done some damages to the people in the world. But we have the ability to turn back from our evil ways and change our actions and live justly before God. Do what God says to do. No matter how challenging it looks to you, attempting to do it God's way will make him be pleased with you and he will show you mercy. When you make genuine mistakes.

5. Review UN office report on drugs and crime for 2001.
According to Huffington Post online

According to Huffington Post; news released by U. N. Office on Drugs and Crime for 2013 list the top ten countries having the world's highest homicide rate. "The UNODC defines a homicide as the unlawful death, purposefully inflicted on a person by another person."

Honduras placing first on the Over-all-list, experience 90.5 per 100,000 is the highest in the world's global homicide report. Jamaica found itself in sixth place.

According to www.migrationpolicy.org August 11, 2021, Hurricane Mitch in 1998 and two earthquakes in 2001 were among the factors driving migration from Honduras. In 2018 Honduras had (402,000) unauthorized immigrant population in the USA. This is only one people group. Adding to this description, look at the root of what is driving the people. What is it? Is it a sword? Or just bad weathers? Aren't they scattered from their home? Scattered from family and friends?

Is it the sin against the Lord causing the devouring and destruction of the whole land?

What is throwing people out of their home? Remember to listen to Mike Smith's testimony.

6. Compare the drugs and crime report uptick then to today

YOUR HOMEWORK: do the research and comparisons for yourself of the violence and sin in the whole Earth

- (Genesis 49:1 &5) “And Jacob called unto his sons, and said, Gather yourselves together, that I may tell you that which shall befall you in the last days.” 5. Simeon and Levi are brothers; their swords are weapons of violence. Let me not share their counsel! Let my heart keep far from their company, for in anger they killed men, and hamstringed oxen at their pleasure. A curse on their fury, so cruel. I will divide them among Jacob, and scatter them among Israel. (this was a prophetic word to them and their posterity. From then, forward what would happen to the coming of the Messiah. “The last day” in prophetic writings also points to Messiah’s final return.
- (Joel 4:2) I shall let all the nations gather together, and come to the Valley of Jehoshaphat. Then I shall uphold against them, the cause of Israel, my people and my heritage. For they have dispersed them among the nations and divided my land. They cast lots for my people; they gave a boy for a harlot, and a girl for the wine they drank .
- Joel 4:13 so great is their wickedness. 14 Multitudes and more in the Valley of Verdict.
- Just as Isaac, gathered his children to inform them of the end. Once again, in Joel 2, all people are to assembly. From different parts. Different Nations. See Revelation 16;14 THE MIGHTY ONES OF GOD IS COMING DOWN AGAIN TO DO WHAT? TO PUT THE SWORD ON WHO (SEE Rev 19:15)

7. Genesis prophetic words for end of days, people’s anger will be fierce and cruel; they will be scattered. And Joel 4:2 they scattered them.

**8. Do you study God's mysteries?
Can mankind solve the problem by
living properly?
What about doing good deeds? Can
repentance help?**

Fear he not, once in a little while God will shake all the nations and fill the earth with His glory and give us peace. King Jesus is coming back to reign over us.

Get ready.

Stay ready.

Jesus fulfilled the prophecies he had to fulfill on our behalf. He is at God's right hand praying for you.

He offers us eternal life.

Accept the Lord Jesus as your savior to bring you into a relationship with God. Say, Jesus I accept you as my Lord. Save me. Repent of your sins and turn away from acting corrupt.

No man can live without the word of God. Do what is in your power to speak kindly to people.

Ask the Holy Spirit to help you love those you have difficulty loving.

God is coming to set up his kingdom. Do your best to keep trusting in the word of God.

Good people are still in the earth. It is decision day for all of us. You must now choose to do good or evil. You choose.

**9. What is your decision,
“for the Day of Adonai is
upon us?”
God is Gathering us to the
valley of verdict (Joel 4).**

I place before you life and death, blessing and curse choose life so that you and your children will live (Deut. 30:19).

Jesus came and died so that you can have a brand new relationship with God (see John 1:12). Keep trusting Jesus and read his word to grow in your new relationship with God.

From all your filthiness will I cleanse you. A new heart also will I give you, and I will put my spirit within you, and cause you to walk in my statutes (Ezek. 36:25-27).

don't FORGET to keep trusting Jesus. One question he left with us is. When I return will I find faith on the Earth (Luke 18:8).

In spite of what you are seeing with your eyes in the nations. No healing of your bruises. The chaos in your own life, continue to trust Messiah, Yeshua.

The end is very near. These are the last days before Messiah's final return.

- ✓ **The earth is reeling, but to improve one's life and be beneficial to the world. Spend time trying to finish your task as you are instructed to do.**

And with your whole being be willing to join your voice and lend your hands to work jointly with people who are gifted, skilled, mighty, to build up each other and restore the earth. Finally, God richest blessings and I thank you all for your support and love.

Love your neighbors as you love yourself. The End.
