

# YESHUA'S VISION BOARD—OF LUCIFER'S RIOTS

It is just simple mind boggling

*There is definitely a teaching about how Lucifer create riots. Describing it Yeshua instructed his disciples—for our understanding; He uses one man, a regular human/disciple/pastor/Luciferian, to provide an explanation. Which reads:*

<b>John 13:2 "The evening meal was in progress, and the devil had already prompted Judas, the son of Simon Iscariot, to betray Jesus." NIV</b>	The Bible introduces Judas to the world as a man that the devil is controlling his mind to betray Yeshua (Jesus). It is also telling us who is <b>Judas' father</b> .
<b>John 14:22 "Then Judas (not Judas Iscariot) said, But, Lord, why do you intend to show yourself only to us and not to the world.</b>	Names in the Bible tells us the bearers mission and gives explanation how the person will procure his purpose either by God's help or unscrupulous means.

The initiatory steps are:

1. Lucifer/devil/Satan/; put a thought in Judas mind. Who is speaking to you?
2. The "**name**" the first word "Judas"—describes who he is, which is a betrayer.
3. The second word "Is-c-a-riot"—is a description of his actions, what, how, he does it. One man with a devil controlling his mind causing riots throughout the world. He is picked by **Lucifer** to lead the riot, leading a violent crowd behaving badly into rebellion against God to commit murder and beat down the citizens.
4. **Judas' father is the devil**—you are of your father the devil, and your will is to do your father's desires. He is a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he lies he speaks on his own character, for he is a liar and the father of lies (John 8:44).

Longman Dictionary definition for riot is: 1. A situation in which a large crowd of people are behaving in a violent and uncontrolled way especially when protesting about something.

To give an example, Yeshua,s ministry touched off religious riots—caused by religious disagreements and misunderstandings fueling the problems and

divided people in that world.

- a. The army was called in to put down Jesus and beat his followers.
- b. Meanwhile Jesus is hunted people behaving in a violent and uncontrolled way.

According to Logman Dictionary "if your imagination, thoughts etc., run riot, you cannot or do not control them." Riot 2 "if a crowd of people riot, they behave in a violent and uncontrolled way, for example fighting the police and damaging cars and buildings." Wow, can I point my finger and say just look at that.

Why do you think the "Greatest Teacher" Yeshua gave us this explanation showing that if a man's imagination is running riot—you cannot and do not control them. An incredibly clear indication that once Lucifer enter's one's mind the "sin" is **so bold**; so **vicious**; so **(in your face)** and **so continuing in its riotous attitude** that it cannot be passed over on the basis of ignorance or inadvertent. In other words, the individual is not really resisting the devil—you may say without such persons really having an intimate relationship with God, he cannot control what he does. However, irrespective of the ignorance God is coming to hold each human being accountable for his behavior.

Other Bible references of what kings, civil and religious leaders regular humans like you and I do once Satan takes control of the minds are (1 Chronicles 21:1) "Satan wanted to bring trouble on the people of Israel. So he made David take a census of the Israelites." How many thousand people died because of rebellion against God? "Seventy thousand Israelites died." Other passages to read are: ( Luke 15:13; Titus 1:6; Romans 13:13; 1 Peter 4:4; 2 Peter 2:12-14; Proverbs 23:20 and 28:7; Amos 1-3).

In conclusion

People of the world open you eyes and your mouths lift your voices to Heaven and cry out to God for deliverance Lucifer is trying to murder humanity
