

Are our "Frontal lobes" Turn in the wrong direction? Who Teaches Us Of God's Creation?

CRESCENT REID & I. SILOCHAN HOUSE OF THE LORD WATCHMEN MINISTRIES OF HELP 5/13/2021

GODLY KNOWLEDGE COULD HAVE

Who teaches us of God's Creation?

Why is learning so very difficult for some people? When Genesis describes God's strategy for bringing order out of chaos. This image, projected is of a person's functions: their control of processes, such as planning, decision making and error correction, overcoming disorders. Apart from the many lessons we have learnt about eating from the tree of knowledge of good and evil, sin, disobedience against God. Ask, is Genesis lessons providing answers why humans live the way we do and act? Is it teaching much more about the ways we think? What is the part of the human body contributing to your way of thinking today? From the outset, is the story or lesson an explanation of the part of the brain injured? You must ask scientists an important question: Are our "frontal lobes" bent in the wrong direction? Could eating the forbidden fruit in (Gen. 2:17) bend man's "frontal lobe" in the opposite direction? Not because it is this position, means that that is how God created it.

Are you interested in God? Does anything about the universe grab your attention? Mostly, his work is disregarded. His teaching ignored. For the sake of clarity, think about the first two people. Adam and Eve, they were learning from God by being aware of God. Can you give the answer, what happen to us when they disregarded His teaching and instructions?

1. Did they ask enough questions? See Exodus 3 and 4, Moses meeting with God was filled with plenty questions and his excuses, not wanting to obey God's voice. What is different between them?

2. Did Adam and Eve show signs of being unteachable? How so? Part of God's plan is that things would keep their order, function properly. People would control processes and decision making. Scripture says (Prov. 9:9) "Give instruction to a wise man, and he will be wiser." "Do you see a man who is unteachable and wise in his own eyes and full of self-conceit? There is more hope for a fool than for him" (Prov. 26:12)! Also, go and read (2 Kings 17:13-15).

How many times have you said these words, "WHY DID I NOT LISTEN TO THE VOICE OF MY TEACHERS AND FOLLOW THEIR COUNSEL" (Prov 5:13)? To learn, we must be teachable and be without a know-it-all mentality about things. Why not listen? Are we unteachable? What is it? The problems probably are connected to one's frontal lobe. Scriptures tells us, God gave us power over the earth, knowledge and a mind to think. But God tests the mind (Ps 7:10) This has to do with principles of life, our feeling, thought, actions, regarding spiritual and physical things. These are what makes you unique and different from someone else. For example, He filled us with wisdom, taught man good and evil. In other words, humans were taught what is right. But all the time, something is preventing us from doing good. OUR MINDS, ARE BENT TO DO EVIL FROM BIRTH (Gen. 8.21) How so? And Why? Are our frontal lobes turn in the wrong direction, bending toward always doing evil? Why do we go after delusions and be deceived? Are there solutions?

2 Cor 4:4) <u>The gods</u> of this world <u>blinded the minds</u> of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, who is the image of God."

Are our frontal lobes turn in the wrong direction?

Did Adam and Eve damage the frontal lobes? Did they not have the wisdom to know what the meaning of this is; the end awaiting them die? Yes die. Once the fatal fruit had been eaten: Human/Adam and Eve, began to live out their lives in—contention, strife, struggles, death and lifelong illnesses. According to (2 Kings 17:15) if humans do not obey instructions and have faith in God they are following after delusion and will be duped. (Prov. 13:10) Where there is strife, there is pride, but wisdom is found in those who take advice (NIV). Is it also possible that pride can cause us to make silly mistakes in our private and public life? At the end of this study, I will be introducing and including some great scientific, research, which is readily available on the internet about "CJD" Creutzfeldt-Jakob disease, a brain degenerative disorder.

Scripture tells us that we were very good. Adam and Eve created in purity, innocent of crimes or offense (Genesis 1:31). <u>Suitable for their functions</u>, the jobs to do and live happy lives. The world that had fallen back into disorder by Genesis 6, it reads, "And GOD saw that the wickedness of man was great in the earth and that <u>every imagination</u> of the thoughts of his heart was only evil continually (KJV). Vv. 6 Then God was sorry he made mankind and it pained his heart, because, all mankind had ruined the earth once again. <u>Were Adam and Eve directly involved in evil?</u> Yes! Why are we suffering its consequences? <u>OUR MINDS, ARE BENT TO DO EVIL FROM BIRTH</u> (Gen. 8.21). Evil in babies?

Therefore, Genesis serves to inform us that in contrast to the "very good" humans God created, now GOD saw evildoing in every plan which one's mind devised. For clarity, God said the thoughts in our hearts was only evil continually. How so? Why do we do evil? How do we fix the problems? What is the special function of your "frontal lobe"? God stresses the importance of creating human beings and specify your functions. Do you need help? We all, do. What is contributing to your inappropriate behavior, language, and reasoning?

Functional specialization (brain) - Wikipedia

Frontal lobes

Studies have found the <u>frontal lobes</u> to be involved in the <u>executive functions</u> of the brain, which are higher level cognitive processes.^[19] This control process is involved in the coordination, planning and organizing of actions towards an individual's goals. It contributes to such things as one's behaviour, language and reasoning. More specifically, it was found to be the function of the <u>prefrontal cortex</u>,^[20] and evidence suggest that these executive functions control processes such as planning and decision making, error correction and assisting overcoming habitual responses. Miller and Cummings used PET and functional magnetic imaging (fMRI) to further support functional specialization of the frontal cortex. They found lateralization of verbal working memory in the left frontal cortex and visuospatial working memory in the right frontal cortex. Lesion studies support these findings where left frontal lobe patients exhibited problems in controlling executive functions such as creating strategies.

INJURED BUT NOT RULED BY EVIL AND UNCONQUERED

God's plan for humanity is that we serve each other, and fulfill our purposes. Pursue love, service to others and improve the welfare of the human race. The serpent tempts Eve to disobey. Would you say, that you know what to do to reach your goals without anyone helping you? "Ask yourself, what if humans all around the world had kept the commandments of God? What would God do different if, we followed His step by step teachings? The trend is, not to follow instructions, and so, we are troubled, perplexed, persecuted, cast down. Some people are destroyed! Evidences suggest that several humans can't plan, suffers from poor decision-making skills. In addition, to being incapable of correcting errors. How CAN WE ACQUIRE KNOWLEDGE FROM GOD? WHAT ADVISE DO WE NEED? HERE IT IS. The word of God was given, precept by precept, line by line, a little, here and a little there. Isn't that the natural way we learn? "Listen to me my sons; acquire knowledge and apply your heart to my words. I will expound the teaching step by step and impart knowledge carefully. Sin breaks friendship with God (Rom 5:12)

SOME QUESTIONS TO BE ANSWERED ARE: What is making some people unique and different in the world? Why is it so difficult to move forward when we are hurt by others? Aren't people wrongfully imprisoned for crime having to build-back their lives when their sentence is overturned? Why is it easy to learn to be hateful? (Philip 2:4) <u>WRITES</u>, "EACH OF YOU SHOULD BE CONCERNED NOT ONLY ABOUT YOUR OWN INTEREST, BUT ABOUT THE INTEREST OF OTHERS AS WELL." God created his works from the beginning, he made them, he assigned to each its place. Their beginning and their unfolding (Sirach 16). Apart from spiritual solutions, we learn the natural treatments, for overall successes in each specific case. This means, it is your duty to find out the truth, change your ways and issues. God made many changes before achieving a very good Creation. Seek God! Get professional help and work it out. Start solving the problems.

MAN'S KNOWLEDGE DOES NOT COME FROM THIN AIR

ARE ALL HUMANS BACKWARD?

he two first humans were to make a personal choice: <u>LISTEN</u> and follow instructions properly.

Not paying attention and errors is why they <u>FALL</u> <u>BACKWARD</u>, broken, snared, began dying. Why were their mind, will and emotions ruled by sensual passion and wrong desires?

The bigger question should be: Why the next generation refuse to be taught by God what to do. Why should someone refuse to learn the A to Z of everything in one's life, especially how to make the best moral choice (see Gen 4:8).

Everyone should interpret that human errors are strongly linked to chastisement! Innocence ends in punishment (Genesis 3:16-24).

More grippingly the Bible mentions explicitly, that Yhvh, began to give stronger warnings for bad choices by speaking to us through <u>HARSHER</u> events—using signs, weather and so on. These events affected us in our private and public life.

This is more of a problem than we are made to be understanding. **(Isa. 1:2-5) says, 2, "Hear**, O heaven and give ear O earth, for the LORD hath spoken, I have nourished and brought up children, and they have rebelled against me.

3, The ox knoweth his owner, and the ass his master's crib: but Israel doth not know, My people doth not consider. **4**, Ah sinful nation, a people laden with iniquity, a seed of evildoers, children of corrupters: they have forsaken the LORD, they provoked the Holy One of Israel to anger, they are gone away BACKWARD." **Vv. 5**,

"Why should ye be stricken any more? Ye will revolt more and more: the whole head is sick, and the whole heart faint (KJV).

The two qualifiers <u>"GONE</u>" and <u>"AWAY</u>" <u>BACKWARD</u> are a deviation from the way when mankind was created. Why should we be stricken, if our head is sick? Isn't that harsh? It seems so. Doesn't it? To answer that question the word "Consider" in verse 4, establishes a need to ponder, study, meditate on what you hear, get the understanding you need first, before going ahead to perform the mission.

<u>WHY THIS MATTER</u>? (Jer. 7:4) says, "Trust ye not in lying words." Vv. 24 But <u>they hearkened not</u>, <u>nor</u> inclined their ear, but walked in the counsel and imagination of their evil heart and went <u>BACKWARD</u> and not forward.

Before we talk about this further, let us revisit the scriptures about Adam's capabilities. It shows Adam's <u>visual imagery</u> was "very good" prior to him eating the fruit. So, let us think deeper.

This is very interesting—why was Adam able to manipulate visual images in his brain?

When God paraded all the animals he made before Adam to see what name he would give them. Adam was able to combine them and deconstruct them.

(Gen 2:19) "So the LORD God formed out of the ground every animal of the field and every bird of the air, and brought them to Adam to see what he would call them: and whatsoever Adam called every living creature, that was the name thereof." In other words, Adam had advance processing to be able to name the various living creatures, all the cattle, fowl, and every beast. Why, is he that confident? How so?

SOMETHING FROM A PLANT DID IT? WHAT IS IT?

Was Adam an "abstract thinker"?

Exactly what happened to man's brain? What went wrong with Adam's (human) brain which once worked very well? He performed well when tested. But once he ate the fruit, he behaves crazy. His <u>son</u> a crazy murderer. What did the plant change in the human brain?

Spiritual things always have natural effects. And natural things we eat can affect us adversely.

God sets the stage at Creation, focusing on the high status and "distinct order" of Adam's wholeness and capabilities.

Nevertheless, once the fatal fruit had been eaten Adam and Eve began to <u>fall backward</u>. A spiritual warfare, good versus evil took its form (Ephesians 6:10-13; Romans 5:19).

First, to identify <u>the change</u> let us show you what the scriptures says. (**Gen 2:20**), "So the man gave names to all the livestock, the birds in the sky and all the wild animals. Adam was able to follow the pattern of God's work and <u>perceive</u> correctly; before <u>eating fruit</u> from the tree of knowledge. This man had even tapped into his improvising skills by naming the numerous things.

Was Adam afraid of upsetting Eve? Was he afraid of Eve dying? Was he afraid of not being able to procreate without Eve? Remember the name he gave her? Adam gave her the name Eve (Havva) which means—life giver!

God's wonderful promise to bruise the head of evil (Gen 3:15). Fast forward, God saved both of their lives and they had children. Next, more struggles and sibling hatred appears when their son Cain murders his own brother Abel over misperception, misunderstanding, confusion.

WHY WE DO <u>NOT PERCEIVE</u> APPROPRIATELY?

Ever Hear The Idiom One's Brain Is Messed Up?

Listen to Job's query, "Behold I go forward but he is not there; and backward but <u>I CANNOT PERCEIVE</u> Him (Job 23:8). What part of the human brain is involved in the executive functions?

Why would mankind which, God created to have intimacy with him be unable to know Him? It could only be our mind blocking us. Are the answers to man's <u>BACKWARDNESS</u> hidden in the amazing job of the "frontal lobe?" A big deal—is our "frontal lobe backward"? Most thoughtprovoking is it disfigured? How does this affect one's conscience?

The <u>"FRONTAL LOBE"</u> is responsible for higher level cognitive process. This control involves coordination, planning, organizing of actions towards an individual's goal. According to etymonline.com definition for backward is

(adj)

- Directed or facing toward the back or rear.
- Used as a temperament or behavior marked by a retiring nature.
- Retarded in intellectual development.
- Having made less than normal progress.

(adv)

- At or toward the back or rear
- In a manner or order or direction the reverse of normal
- In or is or toward a past time
- Looking fondly toward the past

(Noun)

 Backwardness is the noun from backward
 + ness meaning lack of normal development of intellectual capabilities.

Synonyms

retardation (mental retardation slowness) subnormality

AN EVIL PLIGHT BROUGHT UPON US

Backwardness is evil. It points to slowness. The word <u>"BACKWARD"</u> literally means lack of normal development.

(Gen 6:5; 8:21) presents the view, <u>THE</u> <u>HUMAN MIND IS BEND TOWARD EVIL CONTINUALLY.</u> HENCE, WE MUST CALL UPON GOD **(GEN 4:6**).

MANKIND DID EAT SOMETHING NOT TO EAT.

Is it a backward mind why learning is so difficult? Cain became a wanderer (Gen 4:11-16). Why only those exercising the will to learn; eventually find it easier to learn new things and to do them? Here is what 2 Peter 3:16 tells us, "Some things are hard to understand which they that are unlearned wrestle with...).

Jeremiah repeats warnings from God for the children of Israel. Which explains why people experiencing slowness and made less progress than normal. (Jer. 7:23-24) But this thing commanded I them, saying <u>Obey my voice</u>, and I will be your God and ye shall be my people; and walk ye in all the ways that I have commanded you, that it may be well unto you.

A natural longing (desire) for things that God says is harmful to our health is the other big issue. Desire not the things which the word of God says are evil. This led to humans going backward and not forward. Learn from the Biblical experiences.

SET ASIDE YOUR OWN BIASES AND PAST BELIEF

Telling us the story of man falling backward has everything to do with one's <u>"FRONTAL LOBE."</u>

No exceptions; people's lives were turned backward! The whole world has made less than normal progress. So many, suffering from mental retardation, slowness and <u>SUBNORMALITY</u>.

Retarded in intellectual development.

Of course, there exists **EXCEPTIONAL**. successes. On the other hand, we all have **MENTAL ISSUES**.

One of the main differences with people who actively engage in learning, is <u>"RETRAINING"</u> their minds how to function. Though with some level of difficulty they are moving forward.

<u>QUESTIONS</u>: Why are some humans more visual, intuitive, <u>very organized</u>?

Clearly, listening, learning takes great effort; and we do not like anyone telling us what to do.

(Jere 35:15) I have sent also unto you all my servants the prophets, rising up early and sending them, saying, Return ye now every man from his evil way, and amend your doings... but he hearkened not unto me. (2 Tim 3:16-17) says "all scripture is breathed out by God and profitable for teaching, reproof, for correction, and for training in righteousness, that man may be competent, equipped for every good work. Hence, we all need to be trained.

Most important questions: Why is it difficult to listen to, receive sound advice? Why does the left side of the brain control the right side? And here is the follow up question why the right side control the left side of our body? Is this why the difficulty to love and serve others? Yet it is easier to hate because one's mind is bend toward evil. Do you recognize moments of frustrations?

WHEN DO THE CRISS-CROSSING TAKE PLACE

<u>Questions</u>

 What does the left side do? It is more verbal and analytical and orderly? Why are some person very verbal and yet disorderly?

The right brain is more visual and intuitive it is less organized.

<u>Right side of the Brain</u>

-draw imaginary pictures

-day dreaming when you should study

How can the information about Eve's error help us to find balance, particularly with a person stuck day dreaming?

Left side of the Brain

-doing math

-talking to friends

-listening to teachers or parents

How can the information about Adam's first success help us? When he listens to instructions it help him process and improvise. What should we learn happen when we ignore instructions that are meant to keep us safe?

What side of (my, your) Brain is Dysfunctional?

an's real difficulties are listening to teachers, parents and learning from visual imagery.

- a. It appears like we are now unable to manipulate visual images in one's brain.
- **b.** Deconstructing and processing also another problem.
- **c.** Some people have problems talking to friends.
- d. Having problems doing math.
- e. Some of us have problems drawing imagery.

WHAT ARE THE SCIENTIFIC ANSWERS?

Isn't this an answer to Genesis 3:9-13, 2 Cor 11:3, the explanation and is clarifying how the serpent corrupts one's mind?

According to verywellhealth.com, symptoms of dysfunction can be physical, behavioral or cognitive.

"The frontal lobe is a relatively large lobe of the brain, extending from the front of the brain almost halfway towards the back of the brain. Damage to the frontal lobe of the brain can cause a range of symptoms, including motor weakness and behavioral problems. A variety of conditions can damage the frontal lobe, including stroke, head trauma, and dementia." Frontal lobe damage symptoms are:

- Lowered libido
- Risky actions
- Weakness on one side of the body or face
- Depression
- Diminished sense of taste and smell
- Behavioral changes (seen in Adam as he has shown signs of inability to process)
- Easily distracted

Following that line of thinking, here is another view from PsycholoGenie.

"PsycholoGenie presents an introduction towards two though processes observed in humans. It provides the readers with examples that help to clarity the difference concrete and abstract thinking."

TBI's concrete thinking effect

People suffering from traumatic brain injury, or TBI, are incapable to think in an abstract manner due to improper functioning of the frontal lobe of their brain, Such people need to be trained through certain activities that shall encourage their recovery."

"Concrete thinking refers to thought process where a person perceives something that is present physically around through his/her senses and

interprets it as it is..." "Abstract thinking goes beyond physical referents and looks for underlying messages or interpretations..."

"For example, a concrete thinker would look at a green tree. Likewise, when an abstract thinker looks at the same tree, his/her thought process would be entirely different. The green tree may spark a chain of thoughts in an abstract thinker, and he may start imagining all things related to green tree. He might relate green to peace and green tree would relate to bounty and productivity..." www.psychologenie.com

STOP!!! Look at the word **PRODUCTIVITY.**

- 1. Think, was Eve an abstract thinker?
- 2. Or a concrete thinker?

Even though there is more than one opinion. This answers why Eve **"saw that the fruit was good to eat, and pleasant to the eyes, and ideal for gaining knowledge"** (Gen. 3:6).

In this specific Case, the story is Eve believe that the tree was a tree relating to "bounty and productivity" for everything. She had expected to gain more knowledge, not to be left in a diminished state. <u>Now what?</u>

Is it just only **TRAINING**—Look back at TBI's references, what kind of thinker are you? You need to discover yourself and be the change you want to see in the world. It starts with you.

What Physical Damaged Was Done To The Brain?

ccording to the TBI's concepts, a concrete thinker—given a set of tasks, instructions must be provided to the individual each step of every task.

The abstract thinker, the individual follows the pattern of the work involve and start working on personal instincts. This individual may tap into his/her improvising skills.

What type of thinker are you? Why are most people so easily distracted? Why so much risky actions? Risky behaviors?

Humans not only diminished because they did not listen, but lost, the abilities to think in the manner which God planned. Now, we need to pray for wisdom, ask God for understanding pursue Godly knowledge all the days of your life. Additional do not focus only on the spiritual issues.

ALL THE FOLLOWING HAPPENED

- 1. The ground would produce thorns
- 2. Man eats by the sweat of his brow
- 3. He would go back to the dust.

(Gen. 3:22) God said man had indeed come to know what? As a result of knowing good and evil what did God stop them from doing? The answer to the question is stop them from eating of the "tree of life" and live as "madman" all the days of one's miserable life.

(Gen 3:12) Who does Adam blame for him, eating the fruit and be depressed? This was a wellbalanced responsible human. (

Gen. 3:13) Who does Eve blame for not following the right path?

(Gen 4:5-10) Cain murder his brother Abel.

(Gen 6:1-7) the whole world become very evil.

The Bible shows they did not listen to God He gave them over to their own evil practices so their horror could shock them into learning that they cannot live without His Word.

Who teaches us of God's Creation?

n the fullness of God's glory, He created us. And put humans in His School. What exactly happen in the Garden?

The Bible mentions specifically that God had instructed them, but, they refused to follow it.

And these are the results, now, concerning education it seems out of your reach. Additional most things appear to be out of the reach, losing one's mind to achieve simple goals.

A danger from which only God can free mankind. And a lesson to be learned as God promptly answers Adam' s confusion, by, asking <u>WHAT HAVE YOU DONE</u>?

Coming down to today, whenever we reject the word of God, through Yeshua, (Jesus), then humans cannot have a regenerated mind.

The way the mind works is interesting compare to the function of the heart! Part of God's designs is that things keep their order, he never intended for us to be a broken generation or anything to be as complicated.

Research shows that <u>THE RIGHT SIDE OF ONE'S</u> <u>HEART</u> is connected to the jobs that are needing done on the right side. The professionals, states when your heart functions normally all four chambers work together in a <u>CONTINUOUS AND</u> <u>COORDINATED</u> effort to keep oxygen rich blood circulating throughout your body.

WHY THIS MATTER—important to note that these different sections work together in unity when working normally. Unlike the mind with its crisscrossing complexed orders. Now, let us ask a question if the heart is responsible for getting oxygen to the brain. How does it handle the fuzziness of the crisscrossing brain?

HAPPY THE ONE WHO IS INTENT ON WISDOM

How do we stop being dysfunctional? Are we unteachable? Can you reply to those who question you? Do you pursue the "Word of God" like a hunter pursuing his victim? What really happened to Adam and Eve? Was Adam and Eve suffering from depression? Am I depressed?

Here is the big question: How do we r<u>etrain</u> our brain to obey instructions? Could the food Adam and Eve ate still be causing depression? Anxiety? Memory loss? Coma? What is it?

ESTIMATE YOURSELF AT YOUR TRUE VALUE

I lave

The scripture teaches us that it is the will of God for us to live and be successful.

(Genesis 1:26) God said, "Let us make man in our image, after our likeness. They shall rule the fish of the sea, the birds of the sky, the cattle, the whole earth, and all the creeping things that creep on earth." this implies that the purpose God created us, is to rule. Live happily.

All of Creation is for your oversight, caring the newly, reconstructed earth was unformed, void and empty until God created us.

God promises what He will do for us. **"I will"** accomplish on the behalf of my people.

(Isaiah 45:18) For thus says Adonai, who created the heavens, God, who shaped and made the earth, who established and created it not to be chaos, but formed in to be lived in I am ADONAI there is no other.

This purpose is repeatedly reiterated, no man exists to till the earth until God created humankind.

According to Ezekiel 28, Lucifer was the first trustee of the earth. Beyond this the Bible says he was in heaven but was kicked out. And Psalms 8:4-8, connected for us that humans and angels work together as God's delegated ones to keep the earth in good working orders.

Ask yourself: Can you defend yourself from spiritual beings making an attempt on your life? Am I believing a lie? Will you be honored for your wisdom? They were given the law of life. Their ears heard God's voice. Man's conducts are always before God they could not escape his sight. The reason for this is He protects us.

God care for man and woman alike, He endowed us with His own wisdom, gave us strength like His own, making us into His own image. They had an ear and a mind to think with, wisdom and knowledge of "good and evil."

STRANGELY COMPLEXED?

Human government (Genesis 9:1-7) is to be fruitful and multiply, replenish the earth. You will not achieve all your assignments until you believe in God **(Genesis 15:6).**

Abraham believed and it was counted to him as righteousness. Today, do you believe? If you believe in Yeshua you are Abraham's seed heirs according to the promise (Gal 3:29).

When God designed mankind (Genesis 2:15 "the LORD God took the man and put him in the Garden to work it and take care of it. In verse 18, the scripture says "the Lord God said, It is not good for the man to be alone. I will make a helper suitable for him—then the Lord God made woman form the rib he had taken out of the man, and he brought her to the man. The man said, this is bone of my bones and flesh of my flesh.

Please read the Bible for yourself, mankind had only <u>ONE NEED –IT WAS FOR ANOTHER HUMAN</u> <u>COMPANIONSHIP. WHICH GOD REMEDIED IMMEDIATELY.</u> <u>BY MAKING SOMEONE COMPATIBLE (GEN 2:18).</u> AND THE WOMAN WAS EXCEEDINGLY GOOD (GEN 1:31)!

HAT ARE SOME OF OUR PROBLEMS TODAY? Lack of belief in God.

Histories shows some of us dream of success while others work very hard in search of a little bit of paradise, on top of that is struggling, grief, poverty and backwardness.

Backwardness raised a very interesting question. (1 Sam 4:18) <u>BACKWARD</u> is also connected to death. (Isaiah 44:25) Backward makes one's knowledge seem as foolish. (Lamentation 1:8), Backward is connected to curse.

Man's God-Given Function Is To Love Each Other

- To serve each other and your individual purpose.
- Pursue love and service to the other.
- Improve the welfare of the other person.
- Understand the other person as the one to complement you.
- Inspiration should be meeting both of their needs and improving the world.
- Which would result in God be glorified
- Happy earth
- Happy people

THE DYSFUNCTIONS AND BACKWARDNESS

- Served self, pursuit of power and prestige.
- Seek to Improve personal wealth
- Seek status of one's self, while ignoring the needs of others
- See other person as a competition/enemy
- Motivated to kill the other person if it's your husband

Question—who benefits from us doing evil to one another, continually ruining the earth? Man, not God is engineering the evil around the world.

GOD ADDRESSED HUMAN ISSUES AND HELPED THEM

He revisited the two first humans restored them. Speaking, to them he addresses issues of the mind. God points to the crisis and their needs then places emphasis on ruling our mind: it is stronger than your problems. Other problems increased by (Gen 6:5) There was great wickedness, the earth full of violence. What did God do? Saved humankind again. (2 Peter 2:5) Noah and family was saved.

Noah changed his thinking; in order to come out of difficult situations; despite living in a broken generation. The messiah would repeat the same message, showing, to change our way of thinking. We need to hear and understand (Matt. 15:10).

STAYING POSITIVE IN CRISIS AND HARD TIMES

Let us take a moment to reflect on the life of Job. When he was a victim, in the form of much worse suffering; than the first two people. **How did Job address the problems?**

The Bible said Job lost everything except his life. No matter how much loss, first all his children were murdered. Next, he stricken with stinky bodily sores. His spiritual counselors ostracize him. Yet, no matter the pressure on Job He did not sin against God. He was depressed but kept trusting in God.

For these very reasons, no matter who, or what, was said, Satan could not kill Job. Job was punished cruelly, but Satan could not kill him. Most importantly, he refuses to commit suicide.

Let us agree, Satan is God's servant helping you find balance in the world and learning to do what is good. Do you know how to do good?

Do you make a difference in the life of other humans? Do you know how to care for them?

If we are unable to control one's own thought it's cognitive consciousness, imagination, thinking, perception, intelligence, judgment, language, memory as well as cognitive aspects such as emotions. **This is very disturbing!** Additional, if what we are eating can slow down, damage the brain, and cause emotional and physical reactions. We must trust God because without Him, life is hellish. And one's attention span dysfunctional.

(Ezekiel 20:11) says, I gave them My laws and taught them My rules by the pursuit of which a man shall live. This not only speaks of the TEN COMMANDMENTS, BUT OF ALL THE INSTRUCTIONS NECESSARY THAT WOULD HELP US LIVE PRODUCTIVE LIVES.

Adam and Eve were given very simple instructions. We did not have to have civil laws. They received instructions to govern themselves and how to treat each other with respect and care while ruling everything. What happen?

Our ancestors were rebellious. They did not like rules. Their hearts were far from God and faithless to Him and so their minds became sick. In the future evil men and seducers are coming (2 Tim 3:13). Dangerous times, perilous (2 Tim 3:1) again God will spare those who believe in Him from evil (1 Tess 5:9).

Each Of Us Have Difficult Situations To Handle

et us note the following points: First the point, of course, is the word of God trains humans how to choose good and to stand strong against all the evil desires to disobey the voice of God and harm yourself and others.

YOU DID IT

Why do we harm one another? Who wants us to murder each other? You fail your tests!

Second point, the Bible explains that after the flood humans could eat meat. They were not to eat it without first draining the blood, because their blood is compared to a living soul (Lev. 17:10-14). Each human being your blood is precious to God.

(Gen. 9:6) "Whoever sheds human blood by a human being will his own blood be shed; for God made human beings in his image." That individual's blood belongs to God. Therefore, He sets severe punishment for shedding of the blood of humans Did the serpent Lucifer, make going backward more appealing than moving forward?

When demons tempt humans to play the role of murderers you should resist the command.

Are you tempted to play the role of a rapist? Thief? Liar? You must resist the command. <u>Don't</u> let demons use you and don't agree with them <u>one iota. Not a bit</u>. You should not do the crime.

Why do humans lose the ability to function; control processes such as planning and decision making, error correction, overcoming disorders?

JESUS DID NOT DIE FOR THE PURE AND NOBLE?

He died for the sick, those needing the mind renewed. Sinners. The wicked. Those who need a miracle. Those who needs medical doctors. Our heads are sick! If only, if only we had, if only we hadn't. Don't clutch to your past it is time to move forward. Let us find and live the truth. God could have allowed the enemy pharaoh to murder Moses at birth. Moses' birth (Ex 2:1-10) God calls Moses (Ex 3:1-4:7). God sent Moses and Aaron before the mighty Pharaoh to deliver a simple message—Let My People go. Pharaoh did not listen—and God sent 10 plagues on the entire nation of Egypt to kill them and to deliver His people from evil.

ENIA ENIS DE NEN AL DENIA DENIA AINS DENIAL NIAL

If only we had followed the laws of God. If only Eve had not lied. If only I had not lie. You not lied. IF ONLY THERE WERE NO EVIL. It is time to stand up with confidence, facing those who are oppressing, mocking us. Turn the Pharaohs over to God.

Call on God. Forgive the people, being used by the wicked to harm you. Forgive yourself for not doing anything to stop the harm. Nothing you can do about missed opportunity of the past.

They mocked Jesus and made a joke of his labors. Denied Him his rights. Stricken he groaned. He called on God. Are you in pain? God has not forgotten you.

God bears with evil patiently, not looking backward on our behavior when we repent and turn away from sin. He is helping us on the journeys of life and orders everything with mercy. Even when you sin, He knows. We belong to Him. Continually He withdraws His anger and treats us with acts of mercy.

Think about it, God brought from a barren earth, everything, including you. We cannot even make someone who resembles us. And yet we do not trust God? Too many of us refuse to desire Him.

He gave us His word to teach everyone how to control our self, for planning, and organizing our actions, correcting errors and overcoming disorder. What more do we want from God? Who teaches us of God's Creation?

Think about it. More than the crucifixion? At the cross, Yeshua cries out. My God, My God why Have You forsaken me? (Psalms. 22) God forsake His own son only to save you. To restore your mind and let you understand what will be to what is.

The past is directly in front of your eyes.

Think for yourself, we have seen the past with our own two eyes. On the other hand, who knows the future? Do you know what is your tomorrow?

We cannot see it; thus, it is hidden from us and our mind seems to be backwards.

Maybe it is a good thing—can you understand that the Bible explains everything that will be. That although everything is bad now, very soon all our troubles will come to its end.

REFLECTIVE QUESTIONS

We still have people who sees others as a threat, fear them and harm them just as the Bible informs us **(Num 7:10-88)**. Is that far-fetched? The ancient people even hurt Yeshua. Get it?

 How do we retrain our self and others so that those past evil behaviors in the Bible are not repeated? How can we not live our life vindictive? Retaliatory doing titfor-tat? How do we change our focus?

Today, do you see people are still disheartened and speaking against God (Numbers 21:4-5).

2. How do we avoid feeling that miserable and disappointed?

Do you understand how much God has done for you? Do you tolerate evil? Do you hate abuse? Do you realize that you deserve to be respected? Do you know that the Bible is to guide us how to live a balance spiritual, natural emotionally healthy life?

DISAPPOINTMENTS

How should we deal with disappointments?

- 1. Differentiate between good and evil
- Mourn your loss and then move on by changing your mindset. Respect yourself.
- 3. Let go of the past
- Refocus, retrain, your mind to stay in connection with God. Follow His instructions properly.
- 5. Take life one day at a time
- 6. Space your tasks
- Your happiness should not depend solely on what the other parties in your life has done.
- 8. The external system is going to harm you.
- **9.** Prepare your mind to rise up and move forward.
- **10.** Despite what is done to you do not waste time blaming yourself.
- If you fail do not blame the other party, lick your wounds. Change your mind and do something to make yourself successful. Don't insist on who is wrong.
- 12. The first book in the Holy Bible Genesis; teaches us all the above lessons: Your rewards will be decided by the problems you overcame and moving forward with your life. God created us to live life, create our own stories, to solve people's problems. That is not all, inspire some one to help you make the world better for everyone, rich and the poor.

SOURCE OF STRENGTH

A relationship with God (1 John 3:22; Psalms 91; Romans 8:26-27).

Fasting is a physical discipline for alertness in the spirit and toward the needs of others (Joel 1:14; Joel 2:2; Isaiah 58:6-8).

Pray for wisdom—to understand the things of God. Ask God to activate the gifts of:

- 1. Revelation
- 2. Power
- 3. Motivation (see 1 Corinthians 12:1-11).

The Bible informs us that "Ye are a chosen generation, a royal priesthood. Right now you can do these things

- Sing to our God (see Psalms 30)
- Dance in His presence (Psalms 149:3 and Luke 6:23)
- Clap your hands (Psalms 47)
- Lift up your hands and worship God (Psalms 28; Psalms 63)
- Play and instrument (Psalms 33; Psalms 100)
- Separate from sin and dedicate your life to God. Set yourself apart from the world.

DISPLAY CHRIST-LIKE ATTITUDES:

- 1. In what you say (James 1:26)
- 2. What you look at with your eyes (Job 31:1)
- 3. What do you listen to (Jere 7:23-24)?
- 4. Where do you go (1 John 2:15-16)?
- 5. Dress appropriately (1 Peter 3:1-5)
- Take good care of your own body (Gal 5:19-21).

What would happen if you decide to love your neighbor as you love yourself and diligently teach or share the word of God with him or her?

What if you spent your free time impressing on your household the importance of obeying the instructions of God?

We are all needing of teaching. Who teaches us of the inventions of God?

How do we know the meaning of the laws to follow them correctly?

Do you realize that more than half the people in the world are not following instructions correctly?

Do you know the laws in your own country? Who teaches regular citizens the laws?

Chiefly, many of us finds out what is required only if we get into trouble. At that time someone who understands the law, tries to explain the complexity of the troubles and what is wrong.

Why do more people who are educated in their fields not give back to their communities by educating the public? It is that hard to have people become aware of who they are and what is required of us to live peaceful and happy lives. God intended for us to become successful.

DO NOT LET ANYONE POISON YOUR MIND

Could eating the forbidden fruit (Gen. 2:17) bend man's "frontal lobe" in the opposition direction? If so, how do we live our life without being stifled by fear?

LOV

We hear, listen to the voice of God, read His promises, we are marching backward into the future, this time not one controlled by our foes. But rather the future Yeshua promised when he arose from the grave victoriously and went to prepare a place for you to live happily.

What did we inherit from Adam and Eve? What is causing the regression, developmental delays? Madness? Evil? Murders? Grief? God does not want to destroy us. But there are things in our life which makes us imbalance. Sometimes, an evil adversary helps us find balance.

Earlier in the study we promised to end with another good scientific research to answer this excellent question to human cries worldwide, yearning for justice, morality, rest from the mountain of madness in our brains.

Creutzfeldt—Jacob Disease discovered in 1920. "This extremely rare degenerative brain disorder can occur spontaneously and be either inherited or transmitted by contact with infected tissue. This can result from eating contaminated meat or infected tissue via transplant with symptoms that can include depression, anxiety, and memory loss, often ending with lapse into coma." <u>www.creutzfeltz-jacobdisease</u>

We are waiting on the scientist's answers what is wrong with our brains? Notwithstanding, God is caring for us, however, and we ought to be willing to learn from the experiences of others. Learn from the past; because no one knows the future. Learn to listen! Follow instructions, unless your disability is a debilitating disease and it is preventing you from hearing, listening, learning and doing exactly what you are told to do.

To those of you chosen by God to lead, <u>AND THAT IS ALL OF US</u>. Begin to lead by example. Let your conduct do the talking that you learners see; what and how to perform their tasks.

SCRIPTURES TO DECLARE OVER YOUR MIND

What is your attitude like? A rebel? Charlatan? Materialistic? Thief? Humble? Power hungry? This is a clarion loud and clear call for you, Yeshua needs you. He has a role for you to fulfil in the earth. Power struggles and evil, prestige, wickedness is not a new thing. It is still the root of all conflicts. However, God wants to be the source of your strength so that you can live your life and be overcoming evil.

- 1. (PS. 139:17) HOW PRECIOUS TO ME ARE YOUR THOUGHTS, O GOD! HOW VAST IS THE SUM OF THEM!
- 2. (2 COR. 10:5) We Destroy Arguments And Every Lofty Opinion Raised Against The Knowledge Of God And Take Every Thought Captive To Obey Yeshua.
- 3. (ISA. 26:3) You Keep Him In Perfect Peace Whose Mind Is Stayed On You, Because He Trusts In You.
- 4. (2 TIM. 1:7) For God Gave Us A Spirit Not Of Fear But Of Power And Love And Self-Control
- 5. (JOHN 10:10) The Thief Comes Only In Order To Steal, Kill And Destroy; I Have Come So That They May Have Life In The Fullest Measure. Be Gone Lucifer! For It Is Written You Are Not To Follow Other Gods, Chosen From The Gods Of The People Around You. I Reject You Lucifer To Do What Is Right And Good In The Sight Of Adonai So That Thing Will Go Well With Us.
- 6. (1 JOHN 4:8) ANYONE WHO DOES NOT LOVE DOES NOT KNOW GOD, BECAUSE GOD IS LOVE.
- God's provision for conquering evil—Your spiritual armor (Isaiah 59:17; Eph 6:10-18). 1. Helmet of salvation
 Breastplate of righteousness 3. Sword of the spirit 4. Shied of faith 5. Loins girded with truth. 7. Feet shod with the gospel.
